3. A notebook specifically for math (a 1 inch binder or a notebook with openable rings works best)
4. Graph paper (to have on hand)
5. Pencils/erasers
6. Pens (various colors are suggested to help with note taking)
7. Scientific Calculators (TI-30X or comparable)

HOMEWORK AND CLASSWORK

Homework will be assigned every class and is due at the beginning of the next class period. Homework answers will be available online on Google Classroom for students to review and correct *before* coming to class. Students will submit their homework on Google Classroom. It must be scanned as **ONE PDF** or it will not be graded. Students homework will be graded on completeness of the assignment as well as being in the correct format. Students must show all work or justifications to receive credit. **NO WORK=NO CREDIT.** Students are also responsible for keeping all graded work in the event a score is inputted incorrectly. **Homework must be legible to receive credit.**

LATE WORK MAY ONLY BE ACCEPTED WITH THE USE OF A OOPS OR HW PASS.

INTERACTIVE NOTEBOOKS

We will be using interactive notebooks this year which will help students develop strong note-taking and study skills. The notebooks will be collected and graded based on the rubric which will be provided to each student. Students are responsible for keeping all notes for each semester.

TESTS AND QUIZZES

There will be at least 1 test and (possible) quiz for each unit that we cover. These are not only used to measure student learning, but also to help students develop strong study skills that will transfer to other classes as well as their post-secondary education. There will be a comprehensive final exam each semester. After each test or quiz has been graded, it will be passed back to the students for review. Since this is an honors course, **no test corrections or retakes will be allowed.**

HOW TO CHECK YOUR GRADE

It is the student's responsibility to monitor their grades and bring any issues or discrepancies to my attention immediately so they can be corrected or resolved. Parents and students are strongly encouraged to check the **Aeries Parent Portal** on a weekly basis to view the most current grades for EVERY class and to have an updated e-mail address on file with the office.

IF YOU ARE ABSENT...

- You will have up to as many days as you were absent to turn in missed assignments. (For instance, if you were absent on a Monday, you would have to turn in absent work no later than Wednesday)
 - **Students are responsible for submitting their absent work to Google Classroom by the designated time stated above**
- Tests and quizzes will need to be made up the day you return regardless of how many days you were absent.
- There will be no postponement for students who are absent days prior to a test or quiz.
- Students are responsible to copy notes from a classmate for the day(s) they are absent as well as checking my website for any handouts or videos that may have been posted.
- **All homework, worksheets and notes will be posted on Google Classroom**

ACADEMIC HONESTY

Cheating of ANY kind will result in a score of ZERO on the homework assignment, test, or quiz. If a student is found with another student's homework assignment (or picture of), both students will receive no credit without exception. Talking of any kind, having unauthorized materials (including personal electronic devices), or "wandering eyes" are considered cheating. (Refer to student handbook for more information)

CLASSROOM RULES

Every student has the right to a positive and safe learning environment. In order to ensure this, it is important that the rules outlined in the Student Handbook, the Online learning norms and expectations, as well as the ones set up in this class be followed. This includes not eating in class (this includes chewing gum), not physically engaging other classmates and not using inappropriate language or innuendos. Students are also expected to:

1. Be in their assigned seat with proper materials by the time the bell rings

6. No eating in class-water is okay
7. There is no working on assignments from other classes unless approved by Mrs. Allen
8. Be productive! If you need help figuring out what to work on, refer to the agenda or ask Mrs. Allen

DISCIPLINE POLICY

A variety of corrective measures will be used in order to maintain a successful learning environment. If a student chooses to behave poorly by not following rules or directions, their behavior will result in one or more of the following:

1. Verbal/Non-verbal warning and/or speaking with teacher after class
2. Parent/Guardian contact via email and a possible behavior contract
3. Parent/Guardian contact via email and detention*
4. Referral to office
