TEACHER: Ms. Kim

ROOM: H 104

EMAIL: soyoung_kim@chino.k12.ca.us

CLASS: Integrated Math 2 Honors

COURSE DESCRIPTION

Integrated Math 2 Honors builds and strengthens students' conceptual knowledge of tools of geometry, introduction to proofs, properties of triangles, similarity through transformations, congruence through transformations, using congruence theorems, properties of quadrilaterals, trigonometry, circles, arcs and sectors of circles, figures, quadratic functions, polynomials and quadratics functions, and their inverses. This class is accelerated and goes into more depth than Integrated Math 2 CP. This course will also cover standards from Integrated Math 3.

MATERIALS

Suggested materials:

1. Laptop/Desktop computer with camera (you must notify me prior to class if you do not have a laptop camera)
2. Scanning Device or Scanning App (Evernote Scannable)
3. A notebook specifically for math (a 1 inch binder or a notebook with openable rings works best)
4. Graph paper (to have on hand)
5. Pencils/erasers
6. Pens (various colors are suggested to help with note taking)
7. Scientific Calculators (TI-30X or comparable, graphing calculators and cell phone calculators will not be permitted on tests or quizzes)
8. Highlighters
9. Glue sticks/tape (optional)

ATTENDANCE

Students must have their cameras on and must be visible in the frame during the class period. Students must also be participating in the notes, group activities and independent work. On days students are not participating in class, they must answer the question(s) and/or assignment or else it will count as an absence for that day.

Attendance Tasks

- You are required to complete attendance task on the days you don't have certain classes.
- Check in with teachers, even the ones you don't see that day. You will be answering a short question on Google classroom to be considered as "present" on the days you don't have that class. It will count as attendance.

HOMEWORK AND CLASSWORK

Homework will be assigned every class and must be submitted by 6am the following day of class. You have the option of submitting early. Homework answers will be available online on Google classroom for students to review and correct *before* coming to class. Students homework will be graded on completeness of the assignment as well as being in the correct format. Students must show all work or justifications to receive credit. **NO WORK=NO CREDIT.** Students are also responsible for keeping all graded work in the event a score is inputted incorrectly. **Homework must be legible to receive credit and must be submitted in one PDF.**

Recommended scanning app: Evernote Scannable

Late work: you can only earn up to 75% on your assignment up to one week of the original due date/time. You can earn up to 50% after 1 week And until the end of the semester.

TESTS AND QUIZZES

There will be at least 1 test and (possible) quiz for each chapter/unit that we cover. These are not only used to measure student learning, but also to help students develop strong study skills that will transfer to other classes as well as their post-secondary education. There will be a comprehensive final exam each semester. After each test or quiz has been graded, it will be passed back to the students for review. Since this is an honors course, **no test corrections or retakes will be allowed.**

HOW TO CHECK YOUR GRADE

It is the student's responsibility to monitor their grades and bring any issues or discrepancies to my attention immediately so they can be corrected or resolved. Parents and students are strongly encouraged to check the **Aeries Parent Portal** on a weekly basis to view the most current grades for EVERY class and to have an updated e-mail address on file with the office.

IF YOU ARE ABSENT...

- You will have up to as many days as you were absent to turn in missed assignments. (For instance, if you were absent on a Monday, you would have to turn in absent work no later than Wednesday)
 - **Students are responsible for showing me their absent work.**
- Tests and quizzes will need to be made up the day you return regardless of how many days you were absent.
- There will be no postponement for students who are absent days prior to a test or quiz.
- Students are responsible to copy notes from a classmate for the day(s) they are absent as well as checking my website for any handouts that may have been posted.
- **All homework, worksheets and notes will be posted on Google classroom**

ACADEMIC HONESTY

Cheating of ANY kind will result in a score of ZERO on the homework assignment, test, or quiz. If a student is found with another student's homework assignment (or picture of), both students will receive no credit without exception. Talking of any kind, having unauthorized materials (including personal electronic devices), sharing assessments or "wandering eyes" are considered cheating. (Refer to student handbook for more information)

CLASSROOM RULES

Every student has the right to a positive and safe learning environment. In order to ensure this, it is important that the rules outlined in the Student Handbook, the Online learning norms and expectations, as well as the ones set up in this class be followed. This includes not eating in class (this includes chewing gum), not physically engaging other classmates and not using inappropriate language. Students are also expected to:

1. Be in their assigned seat with proper materials by the time the bell rings
2. Keep all unnecessary objects and personal electronics OFF and PUT AWAY
3. Be responsible for their own learning (if you are confused, ASK FOR HELP!)
4. Respect the teacher, classroom and other classmates

DISCIPLINE POLICY

A variety of corrective measures will be used in order to maintain a successful learning environment. If a student chooses to behave poorly by not following rules or directions, their behavior will result in one or more of the following:

1. Verbal/Non-verbal warning and/or speaking with teacher after class
2. Parent/Guardian contact via email and a possible behavior contract
3. Parent/Guardian contact via email and detention*
4. Referral to office
5. Suspension from class

*Detention must be served within a week of receiving it. If the detention is not served within the allotted time from, the teacher will double the student's detention. If the detention is still not served, a referral to the office will be given.

OFFICE HOURS
