Class expectations

(revisited)

School Norms

**Put your phone away
before stepping into
class.**

(You will suffer my wrath if I have to remind you during class about this)

You will need:

Chromebooks, fully charged and operational

- Bring these everyday

Scientific Calculator

- Need these most days
- Only scientific calculators allowed on quizzes/tests

Writing instruments + binder/notebook

- Beginning 2nd semester, I've decided that I want all of us to keep a notebook/binder section for chemistry. This will be checked regularly for a grade.

Grading:

A: 89.5+

B: 79.5+

C: 69.5+

D: 59.5+

F: don't you dare think about failing

Tests/quizzes: 40%

Homework/classwork: 40%

Labs/projects: 20%

Absences, late work, test make-ups

- Late work may be submitted for 50% credit until the end of the unit.
- If you are absent for ___ days, then you have ___ days to make up the assignment for full credit.

When you turn in absent work, please send me an email and I will respond once the assignment is graded.

Absences, late work, test make-ups (continued)

- **Test/quiz make-ups Wednesdays after school or Thursdays before school (my tutoring hours).**

If you never make-up your quiz, then your next test score will be inputted for the quiz you missed.

Class Norms

You may eat or drink in class, except on lab days.

- If you make a mess, I expect you to clean it up just as you would your own home.

Take those earbuds out while I'm speaking, otherwise they will go in the "Gimme that phone!" Box.

If you ask me to use the restroom during class, leave your phone in your backpack.

Class Jobs

- **Paper passer outer (pass out paper/stamp notes or HW)**
- **Box checker (ensure that all boxes contain 4 properly numbered calculators when we come in and leave)**
- **Trash Master (scan class at end of each period and make sure there's nothing left such as trash, personal belongings, worksheets, etc.)**
- **Encourager (encourage people to participate and stay focused)**
