

***Welcome
to Syracuse University!***

Mr. Dan

I have taught 2nd, 4th, 5th, and 6th grade in the Chino Valley Unified School District for the past 16 years. My classroom management plan is based on individual, group, and whole class behavior. I differentiate instruction to fit the individual needs of my students. At Rhodes, I oversee the Running Club, Basketball Club, Debate Club, VEX Robotics Club, and Track Team. Using my own background and experiences, my ultimate goal is to inspire students to develop a lifelong love for learning.
