

HEY, VERNON HUSKIES!

ARE YOU READY FOR THE 30 DAY READING CHALLENGE? HOW MANY PAGES CAN YOU READ IN 30 DAYS? I BET YOU CAN GET OVER 500! JUST START SMALL... BUT THINK BIG.

READ EVERYWHERE: Read in the car, on the bus, or under the covers. Read with your parents. Read a chapter before lunch or after dinner. Read to a friend (It counts double, once for you and once for them.)

KEEP TRACK: List books you want to read. Start by making your list of the books from your library, home or classroom. As you read, write down the number of pages you finish. See the pages add up each day!

AIM HIGH: Reading 500, 700 or even 1000 pages is like climbing a mountain...of books of course. Once you start, there is no limit to how high you can go!

Keep your Reading Log close to you and track every time you read a page. Our 30 Day Challenge will be from March 10th - April 10th. Winning classes and individuals will be recognized at our April 3rd assembly. GOOD LUCK and HAPPY READING!

READING LIST: Each day, have a parent initial next to the title and number of pages read. Once you have filled up this sheet, return it to your teacher for another one and you will be presented with a Certificate of Achievement!
