Dear Parents:

Last night, the Board of Education voted to implement the reconfiguration of our elementary schools by grade from the current K-5 alignment to a K-2 and 3-5 structure. As you know, over the past few months various suggestions and scenarios concerning next school year were considered. Now that the Board has decided to reconfigure the schools, we are preparing for a smooth and successful transition. To that end, you will receive detailed and on-going information on items of particular importance including:

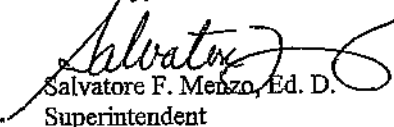

- Transportation
- Time Schedules
- Spring Visitation to Receiving School
- Teacher Name

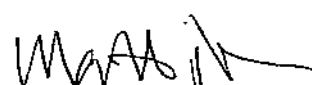

The interests of your children and our students are of paramount concern as we move forward. Frequent and consistent communication with you in the months ahead will be essential. In order to best accomplish this task, we will utilize several means of communication between parents and the district including:

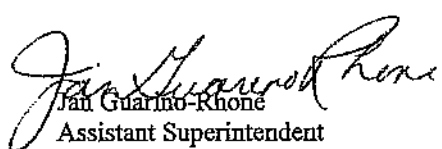

- Web
- Phone Contacts
- Email
- Newsletter
- Public Access Television

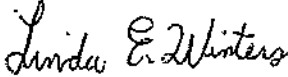

We look forward to the opportunity to continue to provide your children the most rewarding educational experience. You have the entire district team's commitment to make this a smooth transition. We know that change is difficult, but we also know that we are ready to do what will best meet the needs of the children of Wallingford. We hope that you will join us in preparing for the "Grand Re-Opening" of our schools on August 31, 2010!
