

PACE Families,

There is a new way to stay updated and in touch with PACE! We are using Remind: a free service that allows us send quick messages via text, push notifications, or email. Of course, we will still contact you as we always have, but some families have been requesting other contact options and Remind is our solution!

If you would like to use Remind, you can choose which method of contact you prefer.

**To receive messages via text message:**

Step 1 Text the class code to 81010

Step 2 Reply to the message from the Remind team with your first and last name, and you're in!

**To receive messages via push notification:**

Step 1 Download the Remind app on your Android or iOS device, or go to [rmd.me/a](https://rmd.me/a) to install the app.

Step 2 Once you've downloaded the app, create a parent account with your email address.

Step 3 Go to the Classes tab, tap the +, and enter the unique class code.

There are two classes you will want to join: we recommend you join both your contact teacher's class as well as your location class, so your contact teacher can send you information and so you can stay updated about PACE events in your area.

**Class list** - please select the two that apply to you the most:

PACE Anchorage Families (class code: @paceanc)

PACE Mat-Su Families (class code: @pacematsu)

PACE KTN Families (class code: @pacektn)

PACE WRG Families (class code: @pacewrg)

PACE POW Families (class code: @pacepow)

PACE Howie (class code: @pacehowie)

PACE Jen (class code: @pacejen)

PACE Cassie (class code: @pacecassie)

PACE Mollie (class code: @pacemollie)

Using Remind is not required. It is just a flexible option for families as another communication tool. If you choose to use Remind, but need a bit of help getting started, feel free to ask your contact teacher for assistance!
