Wilson K-8 PTO

On or about September 24, 2021, Wilson Elementary School District returned \$1,170.44 to Wilson K-8 PTO for student uniform shirt sales were deposited in the Wilson District account.

The student uniform shirt sales were performed by District employees during District work hours. The District inappropriately distributed these funds to PTO. The Office of the Arizona Auditor General requires the District to immediately recover the paid funds from the PTO and deposit them in an appropriate District account.

Sincerely,
