

Return to School Note Info

(After Injury/Medical Condition)

If your child is returning to school after an injury or medical condition, a doctor's note is required to return back to school. Examples would include, but are not limited to, sports injuries, sprains/strains, fractures, surgeries, concussions, extended hospital stays, ect. The note will be slightly different for each child, but should include information such as:

Limitations

Restrictions

PRN treatments/orders

Length of restrictions/limitations

Follow up appointments

Special care

Special equipment

Please provide this note with the return of your child to school. These notes may also be faxed to appropriate school nurse's office.
