To whom it may concern:

Beaver Creek School District is currently accepting hourly rate bids* for the 23-24 school year for the following:

Physical Therapy – Currently there is 1 student identified for the FY24 at a total of 60 minutes per month.

Occupational Therapy - 27 students averaging 96 minutes per month.

Speech Therapy - 28 students currently 3 days per week average 30 minutes per week. There may be possible participation in Child Find activities **at least** 2 times per year.

School Psychologist – Psycho Educational Evaluations – Currently there are 17 students with METs expiring during the year. The district anticipates 10 additional initial evaluations. There may be possible participation in Child Find activities **at least** 2 times per year.

Additionally, therapists will need to quote for Medicaid billing, other IEP and MET required paperwork and attendance at IEP/MET meetings and consultation as appropriate.

Please let me know what other information you require to complete your quote.

If you are interested, please provide a quote by May 1, 2023.

*While cost is a factor in our decision when reviewing bids, we may take into account location proximity to the district, work experience and/or experience with our small rural district.
