Week of January 12, 2023

Roadrunners,

Happy New Year! Our January calendar is full, so take a look at the dates below and plan accordingly. Wow, we sure had some crazy weather last week! There is still rain and cold weather in the forecast, so please dress warmly for school. I know that the parking lot can be a little crazy with the rain. To stay safe, make sure to leave a little early so you have plenty of time to get to school.

Our teachers have been reviewing our behavior expectations: be respectful, be responsible, be safe. This is a great way to frame your expectations at home and can help with our home and school connection. You can find resources for this by visiting the PBIS Corner section of this newsletter.

Sincerely,

Adrienne Chase

Principal, Glenmeade Elementary School

Glenmeade Elementary PBIS Corner

Roadrunner Community,

The PBIS Tier 1 team would like to inform families that as a school, we will be focusing on the schoolwide behavior expectation of **Be Safe**. The expectation will be announced in the Monday morning announcements and reviewed in the classrooms. Staff members will be looking for the students that demonstrate the **Be Safe** expectation outside of the classroom to hand out RoWards. How does your student demonstrate that they are meeting your expectation of **Be Safe** outside of your home?

Be Safe expectation examples:

- Play in safe areas
- Never speak to strangers
- Be aware of the surroundings
- Always wear sunscreen
- Stay in the yard or on the sidewalk

Please remind your student(s) of the expectations that we have on campus. Lastly, if you would like to see how you can incorporate the schoolwide expectations at your home, please visit our PBIS tab on our website and look under PBIS Parent Night.

Thank you for your support,
The PBIS Team
