## BALDY VIEW REGIONAL OCCUPATIONAL PROGRAM

### VISION STATEMENT

We believe we must inspire lifelong learning, empower our students to make informed career decisions, offer viable opportunities, and prepare students for enduring and emerging careers.

### MISSION STATEMENT

Our mission is consistently high-quality, rigorous, and relevant Career Technical Education that equips students for their future.

### CORE VALUES

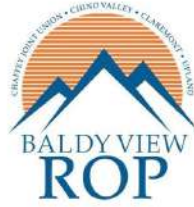

Our commitment to ourselves and our stakeholders is to:

- An educational environment of excellence
- Lead by example through a model of integrity
- Hold ourselves accountable
- Act with dignity, care, and respect through open communication, honesty, transparency, and civility
- Honor the privilege of serving, educating, and elevating our communities

### STRATEGIC GOALS

2015-16, 2016-17, 2017-18

- Create opportunities through instruction, internships, pre-apprenticeships, sequenced and/or industry-recognized certificate programs to ensure students have professional behaviors, leadership, technical, problem-solving, and people skills to effectively meet the demands of relevant, enduring, and emerging careers.
- Analyze data, effectively communicate, and implement change that provides students with high-quality curriculum and instruction relevant to a transition-to-employment and post-secondary education; attract, support, and retain highly-qualified teachers; and provide personalized career exploration and guidance.
- Operate with financial integrity, accountability, and transparency to make data informed decisions that support quality education, attract and retain highly-qualified staff, and maintain long-term fiscal stability.
- Expand and promote a positive regional identity through effective communication strategies, development of empowering partnerships, and pro-active engagement with all stakeholders.
- Lead and facilitate K-12 and post-secondary regional collaborations and training that meet the employment expectations of local business and industry stakeholders in enduring and emerging high skill, high wage, and high demand occupations.

**COMPUTER PROGRAMMING & INFORMATICS**

We live in an information age that might also be called an information-overload age. Everywhere we look, we see sources of information. The problem we face is how to make use of it. This is the central question in the field of informatics and it is also a key concern of businesses, researchers, and students. In order to use the information available to us we need to know how to access it, analyze it, and present it. In this course you will utilize technology to create a system for understanding and organizing information such as college selection information, iTunes playlist information, class schedules, concert schedules, etc.

## FREQUENTLY ASKED QUESTIONS

### WHAT IS COMMUNITY CLASSROOM?

Community Classroom is unpaid training at a job site. Training usually takes place during your class hours. It is your responsibility to secure transportation to and from the site. Student must be at least 16 years old.

### HOW DO I ENROLL?

Register with your career technician on your high school campus or call 909-980-6490. Adults, please call 909-947-3400, ext. 1300. **(NOTE: You must attend class on the first day or you may be dropped.)**

### IS THERE A FEE FOR ROP CLASSES?

As of July 1, 2015, BVROP is no longer direct-funded by the State of California. BVROP is now funded by our member districts, as a service provider supporting their local control accountability plans (LCAPs).

Our agreement with our member districts for these funds provides that ROP/CTE services are reserved for students attending high schools, continuation high schools, and alternative high schools belonging to Chaffey JUHSD, Chino Valley USD, Claremont USD, and Upland USD.

All other grade 9-12 students or school entities may access BVROP services by contacting Forest DeRenzo, Assistant Superintendent of Educational Services ([forest\\_derenzo@bvrop.org](mailto:forest_derenzo@bvrop.org)) to obtain the fee-for-service costs and registration protocol.

Adult students may register on a fee basis at our Career Training Center, 1501 South Bon View Avenue, Ontario, CA 91761.

### CAN I ENROLL IN MORE THAN ONE COURSE?

Yes. You can enroll in multiple courses as long as the class schedules do not conflict.

### WILL I RECEIVE A CERTIFICATE?

Yes. You must earn a "C" or better at completion of your ROP class to receive a certificate.

### CAN I RECEIVE COLLEGE CREDIT?

Yes. Several classes have articulation agreements with our neighboring community colleges. Most courses require a score of at least 80% on the final and/or articulation exam, a final course grade of "B" or higher, and enrollment with the community college upon high school graduation. Please consult with the teacher for specific steps and grading criteria.

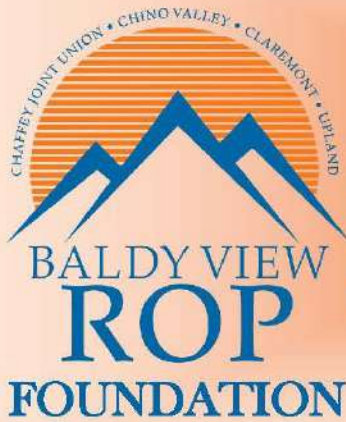

### IS THERE AN AGE REQUIREMENT?

Some classes have an age requirement. Courses which have requirements and/or prerequisites can be found at the conclusion of each course description.

### CAN MY STUDENT ATTEND CLASS AT A DIFFERENT DISTRICT OR CAMPUS?

Student must receive prior approval from the Administrator of the campus where the class is being offered. Contact your school Career Technician.

## The Student on a College Track

Alex Sewell took the entrepreneurial-oriented course, Virtual Enterprise, through Baldy View ROP when he was in high school. Today, he is a graduate of Cal State Fullerton earning his Bachelor's Degree in Business. He is putting his education to fast use by co-founding the start-up company, Motor Mood!

## The Student applying Marketable Skills

Before CA State Assembly Member Freddie Rodriguez was an elected official, he was an Emergency Medical Technician (EMT). Before he was an EMT, he was a Baldy View ROP student learning hands-on training in a hospital. Assembly Member Rodriguez credits ROP courses with teaching him how to work in a medical setting and impacting the work he does today as an elected official!

## The Student working during College

Edelia Navarro was an A student in high school. She is currently attending Fresno Pacific University and hopes to one day become an Oral Surgeon. After completing the Baldy View ROP course, Registered Dental Assistant (RDA), she was hired to work for a dentist where she earned \$20 an hour. Thanks to ROP, she is able to earn higher wages while working part-time as she attends college!

## The Undecided Student

Breana Burch didn't always know what she wanted to do for a living after she graduated high school. She took two Baldy View ROP courses, Hospitality Services and Certified Nursing Assistant. She found her passion in the hospitality industry through ROP and is now the Promotions Manager of Flappers Comedy Club in Claremont!

## The Student on a Career Track

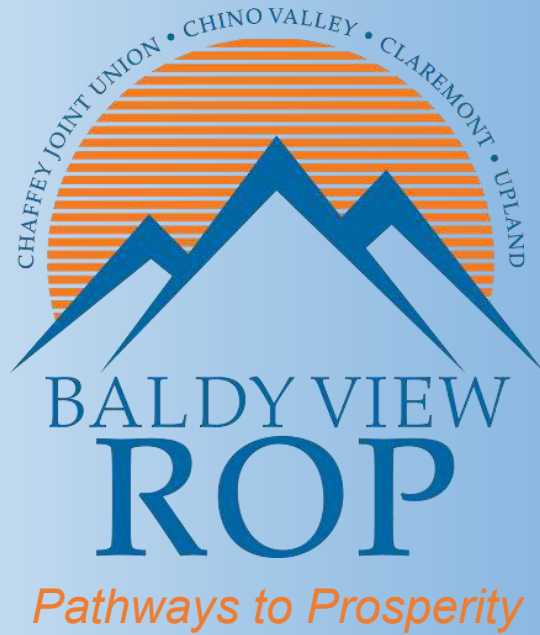

Officer Randy Roman credits the Criminal Justice course he took with Baldy View ROP as a turning point in his life. Because of this course, Officer Roman was introduced to careers in law enforcement and today serves as a police officer for the city of Ontario!

**Students who take Baldy View ROP courses are as diverse as the classes offered!  
These alumni took ROP classes for different reasons and all of them are thriving now!**
