About Coastline ROP

Coastline ROP is a career and technical education (CTE) provider that prepares both high school students and adults for a wide range of careers and further educational opportunities.

[Video](#)

OUR MISSION

Coastline ROP is an exemplary, innovative career technical education program that prepares students for college and career success and contributes to the economic development of the communities we serve.

Why take an ROP class?

- Earn grades and credits toward high school graduation
- Enroll in classes that satisfy A-G requirements for UC and CSU
- Gain experience required for immediate employment
- Participate in courses that offer internships (if you are at least 16 years of age)
- Experience careers that may assist in choosing college majors
- Courses are FREE for high school students!

Where are classes offered?

COASTLINE

- **Students have a chance of getting hired after an internship**

What is an articulation agreement?

Articulation Agreements are formal agreements between two or more schools documenting the transfer policies for a specific academic program or degree in general.

Schools we are articulated with:

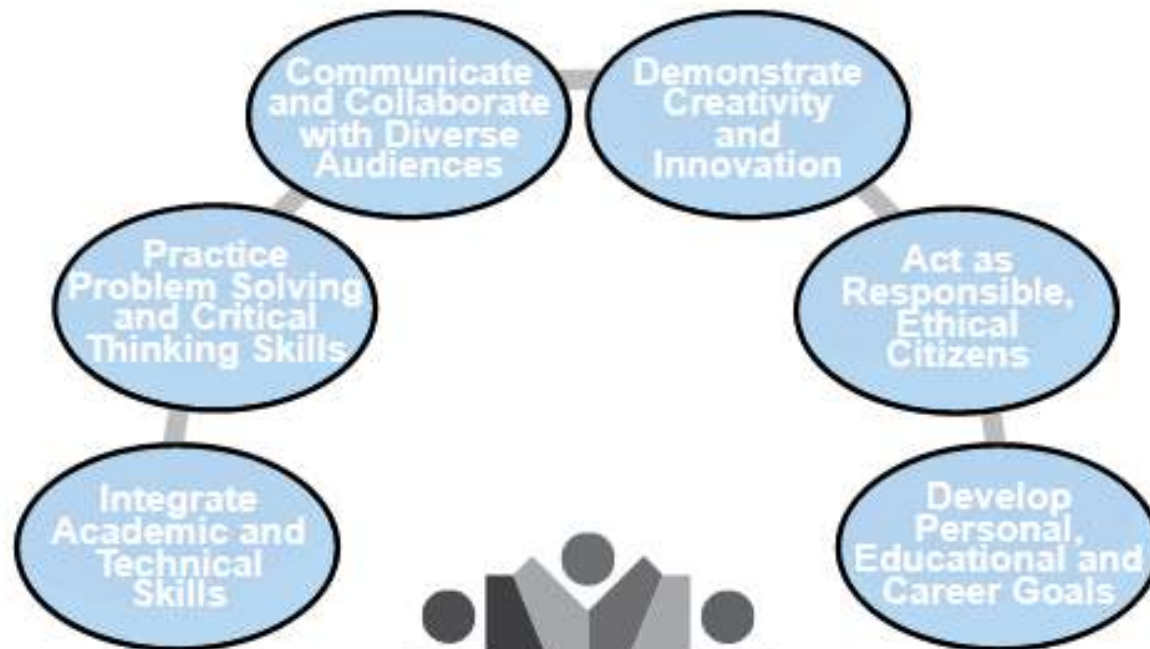

Benefits to Students

- Minimizes course duplication and reduces costs
- Allows students to receive both high school and college credit an/or advanced placement in college program
- Facilitates student transition from high school to college

STUDENT LEARNING OUTCOMES

Upon successful completion, Coastline ROP students will:

COASTLINE
