FIRE SCIENCE AND TECHNOLOGY

GRADES 9-12

COURSE# 7995

FST1 is based on the three core values of the fire academy:

Communication, Teamwork and Discipline

This course is hosted at Murrieta Valley High School and open to all high school students. You will learn

- · fire behavior
- · fire suppression
- firefighting techniques

Hands-on active learning will complement the academics of fire science as students prepare for further career education.
