

# Science Curriculum Flowchart

## Grades 9-12 with Math Requirements

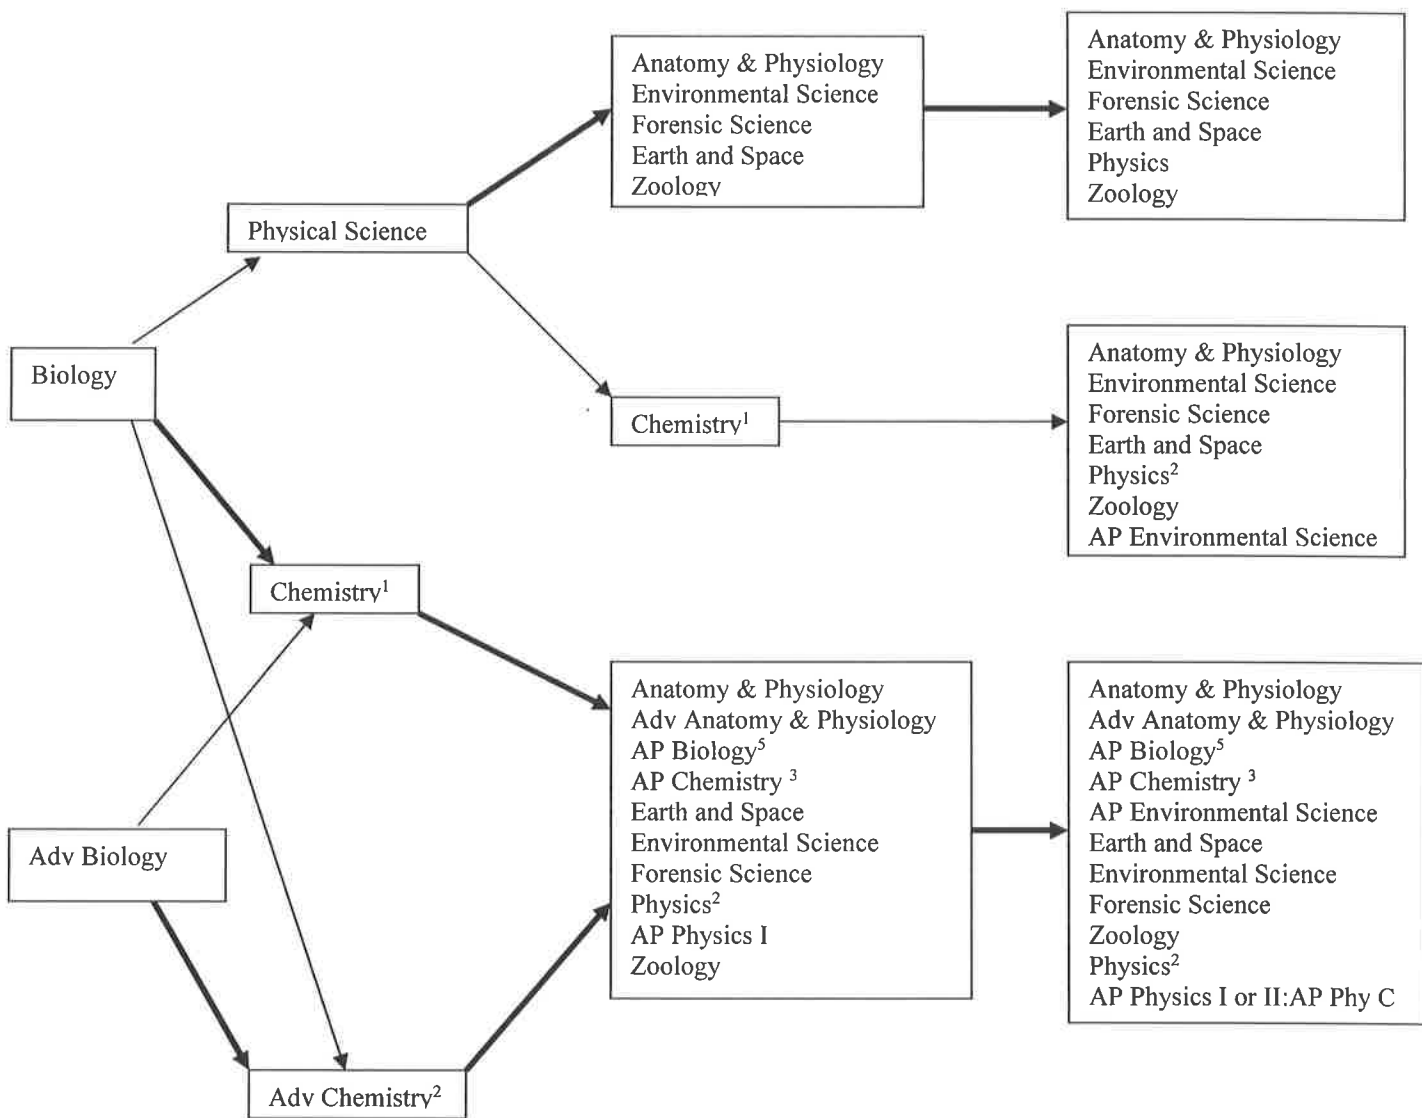

(See Course Selection Guide for specific requirements/prerequisites.)

9<sup>th</sup> Grade

10<sup>th</sup> Grade

11<sup>th</sup> Grade

12<sup>th</sup> Grade

### Math Requirements

- <sup>1</sup> Completed Geometry and Biology with 80 or above
- <sup>2</sup> Completed or concurrently enrolled in Adv. Alg. II or higher
- <sup>3</sup> Completed or concurrently enrolled in Pre-calculus
- <sup>4</sup> Completed or concurrently enrolled in AP Calculus B/
- <sup>5</sup> Strong math background required

### Group 1

- Anatomy & Physiology
- All Chemistry
- Biology
- Physics
- All ADV & AP classes

### Group 2

- Physical Science
- Environmental Science
- Forensic Science
- Earth and Space
- Zoology
