

WANTED

SCIENCE DETECTIVES

Do you like solving mysteries? What about hands-on science experiments?
Come join us for adventure, fun, and games while we discover

Ecosystems of the World!

At Rhodes Elementary on Tuesdays from 12:15 pm – 1:15 pm
Sept. 11th, 18th, 25th, Oct. 2nd, 9th & 16th

Scientists in 1st through 6th grades are welcome to join the fun.

Footnote to parents: Class size is limited to the first 40 students to register.

Sign your child up to take part in a six-week, hands-on science program to explore the biomes of our Earth. Areas studied will include identifying animals and plants in different biomes and learning about their specific adaptations for each biome. Experiments will include Pine Cone discovery of the Tiaga, building a Desert biome, predator/prey investigation of the Savanna and of course exploring our own biome, the Chaparral biome.

The class will meet at the lunch tables.

For questions or more information please call (909) 636-6871, ask for Terrie.

Detach and return to school office with payment of \$80.00 to TNT Educational Adventures
