## CURRICULUM RESOURCES

Each student will receive:

- TCi textbook
- Online access to TCi Digital Platform
- Homework Planner provided by GMS

## LATE WORK

- Work is expected by the due date. If an assignment is turned in late, 5% will be taken off the earned grade for each day late (no more than 50% will be taken off)
- For each day absent, students have one day to turn in work without penalty. For example: if a student is absent one day, the work due the day of the absence is due the day he/she returns and the work assigned the day of the absence is due the next day after they return. For two days absent, the student must turn in work due the first day of the absence, then have two days to complete the work assigned during the absence.

## HARD DEADLINES

Missing and/or late assignments will not be accepted after the hard deadline. If an assignment is not turned in by the hard deadline, the assignment will receive a grade of zero.

The following are the hard deadlines for the school year. If any dates are adjusted, an email to parents will occur:
