

Ruskin 2022 Science Fair

This is NOT A COMPETITION. There is no judging - all participants will be recognized.

- February 7 Science Fair Presentations this week
- February 28 Participation slips due
- March 4 Science Fair Board Tickets distributed to classes. Display boards are free and will be distributed during their weekly science lab.
- March 31 Last day to pick up display board from the Science Lab after school
- April 5 Science projects are due. Check in your project at your classroom and move the project to the Multi during your scheduled time.
- April 6-8 Ruskin Science Fair opens to viewing by the students during their scheduled class times.
- April 8 All science projects are taken home.

Please save paper - download/view the Science Fair Handbook at <http://ruskin.berryessa.k12.ca.us/> . If you need a paper handbook, they are available from your teacher or the science lab. Thank you.

Cut here and return bottom slip to teacher. Save top portion for your reference.
