

3rd Grade Summer Daily Assignment Packet

The Gladstone School Library will be open this summer every Tuesday from June 15 - August 3. You can bring your kids and check out books, or just have them take AR quizzes while in the library. What an exciting opportunity to keep your children reading. What makes having our school library open so special, is how easy it will be to find AR books in your child's reading range, and the availability of Renaissance Place to take those quizzes. Children must be accompanied by an adult 18 years or older.

Option 1:

Daily: Read for 20 minutes

Summer Collection: One page of language arts and one page of math
(This book was available for purchase.)

Option 2: Use the suggested calendar activities to schedule daily review.

Daily: Read for 20 minutes

ELA: *Measuring Up*

Math: Practice pages, *Homework and Problem Solving*, *Circle Time and Practice*

Option 3: Use the suggested calendar activities to schedule daily review.

Daily: Read for 20 minutes

Math: Practice pages, *Homework and Problem Solving*, *Circle Time and Practice*

*Science Interactive Text/Measuring Up/*Reading Practice Book:* Rotate these books on a daily basis.

Reading Practice Book* was not assigned any pages on our calendar. The following calendar should be used as a **guide to help you and your child work through the assignments. Pages may need to be adjusted due to differences in reading groups and classes. Some *Measuring Up* assignments are longer than others. Your child may need more than one day to complete it. Use these resources to help your child; modify and/or change them as you see fit. The goal is to have some time for reading and study so that your child has a smooth transition to third grade.

You may notice that your child's *Measuring Up* and *Science Interactive Text* have not had a lot of use. Our *Measuring Up* materials were delivered late in the year and with our focus on language arts and math we were not able to use our *Science Interactive Text*.
