These rights, responsibilities and prerogatives shall not be exercised in a manner inconsistent with or in violation of the specific terms or provisions of this Agreement.

2. Whenever the female form or the masculine form of any pronoun is used in this Agreement, it is understood that the reference includes both female and male.

ARTICLE 2 RECOGNITION OF AGREEMENT

1. The Board recognizes, under the provisions of Connecticut General Statutes, Sec. 7-468, the Association as the exclusive representative for the purpose of collective bargaining over wages, hours of work, benefits and other working conditions, except as noted herein, of all the regular employees of the Board engaged in clerical, secretarial or technical work in the public school system of said Town. Excluded from such representation are part-time employees who work less than 37-1/2 hours per week or less than eleven (11) months per year.

2. This Agreement shall be in effect through June 30, 2017 and shall not be changed during its term without the agreement of both parties hereto.

ARTICLE 3 PAY RATES

1. The minimum and maximum hourly wages shall be set forth as Exhibit A attached hereto.
 - A. An employee still within their 120-day probationary period as of July 1 must complete their probationary period prior to receiving their new rate. This new rate will be the percentage rate increase as described in this Article but will be non-retroactive.

 - B. If an Association employee believes they are consistently performing a significant number of duties in a higher classification they may make a

written request with supporting evidence to their Supervisor for a salary adjustment or classification upgrade. Such request will be forwarded to the Superintendent for a response.

ARTICLE 4 LONGEVITY

1. Longevity of service: Employees hired before September 1, 2010 earn longevity payments for years of completed service as an active employee in the Brookfield public school system according to the following schedule:

10 years through 14 years - \$500

15 years or more - \$1,500

2. Such payments shall be made no later than fifteen (15) days after his or her anniversary date in the bargaining unit. An employee who retires or resigns shall be paid a pro-rated longevity payment provided his or her last day of work is at least six (6) months past his or her anniversary date in the bargaining unit.

ARTICLE 5 HOURS AND WORKING CONDITIONS

1. The term full-time employees refers to secretarial, clerical or technical personnel hired as eleven (11) month (1,800 hrs. per yr.) or twelve (12) month (1,950 hrs. per yr.) employees.
2. The normal workday for full-time employees shall be 8 hours including a ½ hour unpaid lunch. The work year of eleven (11) month employees shall be determined by the employees' and building supervisor.
3. In the event that a given calendar year includes more than 240 work days (11 month employees) or 260 work days (12 month employees), employees will work and be compensated at their regular hourly rate for the additional day(s).

ARTICLE 6 SELECTION

1. Applicants shall be selected on the basis of training, experience, references, interview and examinations in various secretarial, clerical or technical skills. Credit may be given for experience or training deemed by the administration to be important for the job assignment. No new person shall be hired at a rate exceeding the maximum salary rate for the classification. New employees shall be given a copy of the current contract and job description.

ARTICLE 7 VACANCIES

1. Notice of vacancies will be sent to the Union president and posted on the School District website prior to any outside announcements. Upon notice of a job vacancy,

Association employees may submit written application for consideration to the Assistant Superintendent of Schools.

2. In the event an Association employee applies for and is selected to fill a vacancy within the same or higher job classification, she/he shall be paid not less than she/he was originally paid or at the rate of pay for the new position, whichever is greater.

Transfers shall be based on required qualifications and satisfactory past performance, as determined by the administration, as well as an interview with the prospective supervisor.

ARTICLE 10 SENIORITY

1. Seniority shall be defined as the length of an employee's continuous full-time service with the Board from their date of hire within the association. There shall be no loss of service if the Association employee leaves the employ of the Board and subsequently returns to the bargaining unit within one (1) year.

ARTICLE 11 LAYOFF/RECALL

1. *Layoff* - In the event it is necessary to reduce clerical, secretarial or technical staff in the bargaining unit, the Association employee(s) and the Association shall be given at least thirty (30) days written notice of the impending layoff. The union shall be provided with a copy of the recall list upon request. If a person is recalled to a vacancy which the employee or the supervisor feels he/she is unable to perform, either the employee or the supervisor has the option to refuse the rehire. The Association employee will remain on the recall list until he or she accepts or refuses recall to a job in the same or higher job classification than the classification the employee was in at the time of layoff, or his or her recall rights expire, whichever comes first.

A recalled Association employee shall be paid at the rate commensurate with the job to which he or she is recalled. No loss of accrued benefits or seniority shall occur for a recall to a vacancy. No new employee will be hired into the Association until all Association employees on the recall list that are qualified to do the work have been recalled.

Summary of Benefits and Coverage: What this Plan Covers & What it Costs

Coverage for: Individual/Individual + Family | Plan Type: OAP

Important Questions	Answers	Why this Matters:
What is the overall deductible?	For in-network providers \$2,000 person / \$4,000 family For out-of-network providers \$2,000 person / \$4,000 family Deductible per person applies when the employee is the only person covered under the plan. Does not apply to in-network preventive care Amount your employer contributes to your account: Up to \$1,000 person / \$2,000 person + spouse or child / \$2,000 family.	You must pay all the costs up to the deductible amount before this plan begins to pay for covered services you use. Check your policy or plan document to see when the deductible starts over (usually, but not always, January 1st). See the chart starting on page 2 for how much you pay for covered services after you meet the deductible .
Are there other deductibles for specific services?	No.	You don't have to meet deductibles for specific services, but see the chart starting on page 2 for other costs for services this plan
Is there an out-of-pocket limit on my expenses?	Yes. For in-network providers \$2,000 person / \$4,000 family / For out-of-network providers \$4,000 person / \$8,000 family. Out-of-pocket limit for person applies when the employee is the only person covered under the plan.	The out-of-pocket limit is the most you could pay during a coverage period (usually one year) for your share of the cost of covered services. This limit helps you plan for health care expenses.
What is not included in the out-of-pocket limit?	Premium, balance-billed charges, penalties for no pre-authorization, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit .
Is there an overall annual limit on what the plan pays?	No.	The chart starting on page 2 describes any limits on what the plan will pay for <i>specific</i> covered services, such as office visits.
Does this plan use a network of providers?	Yes. For a list of participating providers, see www.myCigna.com or call 1-800-Cigna24	If you use an in-network doctor or other health care provider , this plan will pay some or all of the costs of covered services. Be aware, your in-network doctor or hospital may use an out-of-network provider for some services. Plans use the term in-network, preferred , or participating for providers in their network . See chart starting on page 2 for how this plan pays different kinds of providers .

IMPORTANT QUESTIONS

ANSWERS

WHY THIS MATTERS:

Do I need a referral to see a specialist? No. You don't need a referral to see a specialist. You can see the **specialist** you choose without permission from this plan.

Are there services this plan doesn't cover?	Yes.	Some of the services this plan doesn't cover are listed on page 5. See your policy or plan document for additional information about excluded services .
----------------------------------------------------	------	-----------------------------------------------------------------------------------------------------------------------------------------------------------------

- **Co-payments** are fixed dollar amounts (for example, \$15) you pay for covered health care, usually when you receive the service.
- **Co-insurance** is your share of the costs of a covered service, calculated as a percent of the **allowed amount** of the service. For example, if the health plan's **allowed amount** for an overnight hospital stay is \$1,000, your **co-insurance** payment of 20% would be \$200. This may change if you haven't met your **deductible**.
- The amount the plan pays for covered services is based on the **allowed amount**. If an out-of-network **provider** charges more than the **allowed amount**, you may have to pay the difference. For example, if an out-of-network hospital charge is \$1,500 for an overnight stay and the **allowed amount** is \$1,000, you may have to pay the \$500 difference. (This is called **balance billing**.)
- This plan may encourage you to use **in-network providers** by charging you lower **deductibles**, **co-payments** and **co-insurance** amounts.
