Central High School Graduation Ceremony Class of 2023

Commencement ceremonies mark a portion of scholastic attainment culmination and are intended to be a memorable occasion. Remembering our role as dignified, mature young adults is the best way we can make the occasion truly impressive.

GOWNS: Gowns have been packed very tightly. **DO NOT IRON**, only steam or hang in a bathroom with hot water running. Please place the gown on a hanger after. The wearing of buttons, signs, etc., is prohibited.

CAPS: Caps are to be worn with the long point to the back of the head and the short point down on the forehead. The mortarboard should be in a horizontal position on the top of the head rather than on the back of the head. It is recommended that bobby pins be used to help hold the mortarboard in place. Any decorations added to the cap must be school appropriate. The tassel is worn on the left side until completion of Commencement. Gentlemen, please remove your caps for the playing of the National Anthem.

CLOTHING UNDER GOWNS: It is recommended that lightweight clothing be worn for the graduation ceremony since it may be hot on the athletic field. **SHORTS AND/OR THONG SANDALS ARE NOT APPROPRIATE ATTIRE. IF YOU HAVE ANY QUESTIONS, TALK TO SELLDEN OR DOWNEY.**

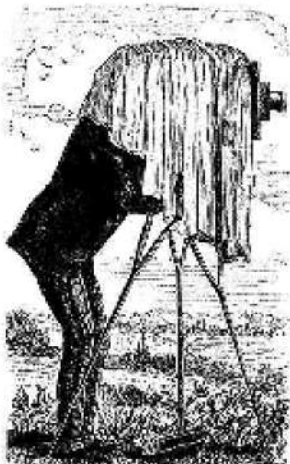

BOYS/GIRLS: Professional/Business attire is expected. Please do not wear heels as it will become difficult to walk on the field.

BE ON TIME FOR THE LINE-UP. It takes approximately 25 to 30 minutes to check and double-check the line-up procession.

BEHAVIOR FOR GRADUATION EXERCISES: Students identified as under the influence of alcohol or other drugs (other than by prescription) shall be banned from ceremonies. Law enforcement will be notified. Diplomas may be held if a student displays inappropriate behavior during the ceremony.

DURING THE CEREMONY: Remember that you are easily observed from the stands. Please refrain from talking as you arrive on the field.

Special Memories

Professional pictures will be taken during Commencement ceremonies. Seniors will have the opportunity to purchase photos online through M.J. Thomas.

Photographers and people with other recording devices will not be permitted inside the fence on the field before or during ceremonies. Please caution friends and relatives who want pictures or videos to remain behind the fence until ceremonies are completed.
