The Top winners of the “Caught you doing something good” Recognition are: April Clairmont, Marilyn Todacheenie, Elaina Vann, Terolyn Kelewood. The Honorable Mentions are: Alyssa Dalgai, Klair Kuhl, Mickey Jones (Academic Coach at the Middle School), Pandora Yazzie, Rose Jones, Telford Todecheenie and Whitney James (Youth worker at the Middle School). All employees are encouraged to participate in submitting future nominations. The nomination link is open for October’s recognition. Dr. Thomas also read a Thank you letter to the substitute teachers of the the district for all that they do for the students. School Districts nationwide are experiencing the effects of a severe teacher shortage. Some states like New Mexico have resorted to calling out the national guard to provide their students with teachers. While our own district has felt the effects of the nationwide teacher shortage, we would like to recognize those who have helped the district support our students in this time of need. Ganado Unified School District substitute teachers have made tremendous efforts to help fill the void and reduce the effects of the nationwide teacher shortage felt within our school district. Many of our substitute teachers have stepped up to the plate and have taken on long-term placements while we continue the search for permanent teachers. If you work with substitute teachers, or if your child has a long-term substitute as a teacher, please take the time to thank them for their hard work and dedication to student success. The district is dedicated to providing a quality education for all students. Our long-term substitutes will be given the same time and attention as our regular teachers to make sure the district is providing the best education we can regardless of our circumstances. This includes keeping them involved | all of the district professional development that is offered or required of regular teachers and providing support through staff collaboration and mentorship. Ahéhee’ and Go Hornets!

However, the Governing Board cannot take action on matters that have not been noticed in advance as a part of the agenda. Chris Delgai, Community member addressed the Governing Board by kindly requesting the board to address abandoned buildings, weeds and shrubbery overgrowth across the district. Mrs. Wanda Begay motions to approve, IX. Personnel, items E1-9, second by Mrs. Teresa Gorman. Ms. James stated that on item E1 benefits should have been included and that the contract does not provide for any annual leave benefits. Cameo Pete, Human Resources stated that the supplemental contract was reviewed by herself and Nathan Schott, Legal counsel where annual leave was not considered because Dr. Thomas is retaining her normal leave right now with this position anticipated to be short-term so they were not sure, however annual leave can be considered at such time if the position extends beyond Dr. Thomas' normal 9-month contract which can be adjusted to include and back date for annual leave benefits. Mrs. Teresa Gorman stated that she is going to recuse herself from voting for 5q. Ms. James asked legal counsel to clarify, because she stated that the Acting Superintendent be given the opportunity to earn annual leave in addition to the terms that is presented to the Governing Board at this time. Mrs. Begay stated that she supports her colleagues' statement and feels this is a huge responsibility and recommends including the added benefits. Mr. Schott stated that this is a draft contract if the board wants to add additional provisions to the contract at this time the board can do so and for the board to make a motion to make those amendments or the contract can be brought back at the next board meeting. Ms. Pete provided information on the leave policy. Mrs. Gorman stated that administration can bring the final draft contract back at the next board meeting. Ms. Judy James provided a substitute motion to approve IX. Personnel, items E1-9 including amendments to the Acting Superintendent Supplemental contract to include the following: Annual leave prorated on a bi-weekly basis, district cell phone (No cell phone only \$40.00 allowance), utilities, district card and rent.
