ONLINE STUDENTS - Students who have selected online learning will receive instruction and coursework through Google Classroom, student workbooks, and project-based learning activities on Monday, Tuesday, Thursday, and Friday. Starting on Thursday, August 12, 2021, we will begin a drive-thru work packet from 9:00 a.m. to 11:00 a.m., east of the school on the loop for online learners.

IN-PERSON STUDENTS - On days when in-person students do not attend school, they will be provided assignments to complete at home.

ATTENDANCE - Please use the Google classroom attendance check-in each day beginning at 8:00 a.m. Daily. All students will receive an invitation to the Google Attendance Classroom. When the student does not attend, they must check-in for attendance on Google Attendance Classroom. There is also a link on our school website labeled "GIS Daily Attendance Verification" it is a quick form you complete each day for attendance. If a student does not have internet access, they may call the school at 755-1300, 1310, 1312, 1325, or 1331. Please have your student's full name, grade, and teacher name on hand.

What is Child Find?

Child Find is a component of the Individuals with Disability Education Act (IDEA '04) that requires Public Education Agencies (PEA) to locate, identify, and evaluate all children with disabilities, aged birth through 21, located within their boundaries of responsibility who are in need of early intervention or special education services.

When do we have Child Find Screenings?

Every 45 days our school hold Developmental Screenings for children birth to 5 years of age, whose legal guardian suspects a disability and who are not currently enrolled in a GUSD public school. The event will be on the school district campus and contact GUSD school to find location.

If you should have any questions, please feel free to contact the Exceptional Student Services Department Director, AnaManuela Rico.

A back-to-school reminder:
 Families who don't usually file a tax return may still qualify for advance Child Tax Credit payments.

IRS [irs.gov/childtaxcredit2021](https://www.irs.gov/childtaxcredit2021)

The IRS is reaching out to America's school districts to help spread the word about the **2021 Advance Child Tax Credit payments**, which could be to **up to \$1,800 per qualifying child**. These payments are made automatically to taxpayers who qualified on their 2020 tax returns. Our current outreach efforts are focused on low-income families who may not be required to file tax returns. We have developed a tool that can help these families get the Advanced Child Tax Credit payments and help them get missed Economic Impact Payments (EIP). This could amount to over \$14,000 for a family of 2 adults and 2 children who may be struggling to make ends meet. **The clock is ticking to sign up because the Non-Filer Sign-Up tool or <https://www.irs.gov/credits-deductions/child-tax-credit-non-filer-sign-up-tool> will be closing on 10/15/2021.**

Please see IRS [Publication 5534-D, Three Steps to Getting your Advance Payments](#) for more information and as an example of one of our many outreach resources. We also have a toolkit available to our partners with more information. [Publication 5537, IRS Toolkit for Partners: Advance Payments of the 2021 Child Tax Credit](#)
