

What makes Imagine Learning Academy the best choice for SES?

- ✓ During the 2011-12 school year, more Colorado parents chose Imagine Learning Academy than any other tutoring provider
- ✓ Differentiated computer-based instruction through Imagine Learning®
- ✓ Tutors who are state-certified teachers in tune with school goals and priorities
- ✓ Instruction for English learners, struggling readers, students with disabilities, and students struggling with math in first through eighth grade
- ✓ A dedicated management team that provides tutors with support, including shipping snacks and incentives and providing ongoing professional development
- ✓ Access to Imagine Learning student licenses until the end of the school year

Imagine Learning Academy is a **top technology-based SES reading program** in Colorado based on student improvement rates on the Colorado Student Assessment Program (CSAP) reading assessment.
