

Meet Miss Maag!

2014-2015 School Year

Hello Room A14 Families,

Welcome to the beginning of a new and exciting year at Patterson! I am thrilled to get to know my new kiddos! My name is Hannah Maag and this is my fourth year at Patterson and fourth year of teaching first grade. I grew up attending Chandler schools including Jacobson Elementary, Tarwater Elementary, Bogle Jr. High, and Hamilton High. Originally I am from Worland, WY, but I definitely consider Arizona my home. After high school I attended Northern Arizona University where I graduated with a degree in Elementary Education. I came back to Chandler to do my student teaching at Jacobson Elementary in the third grade. I absolutely love the Chandler District and consider it one of the best!

I am the oldest of three children. I have two younger brothers: Heath is 24 and works for ASU in the IT department. Jonas is 20 and is entering his sophomore year at Western State Colorado University where he is studying to be a physical therapist and runs on the track and cross country team. My mom, Becky, is also a first grade teacher and teaches at Tarwater Elementary. My dad, Mo, is a math teacher at Hamilton High and is also an online instructor for local community colleges. My family and I have two wiener dogs, Aurora and Princess, and a very playful kitten, Kitty.

I am very family oriented and love spending time with them! In my free time I enjoy doing CrossFit, painting, going to concerts, and being with my friends. I also love going to the movies, am a pro at hula-hooping, and collect a variety of unicorn items.

Again, I am very excited about this year and am so glad that I have the opportunity to work with you and your child ☺. Please feel free to contact me if you have questions or concerns. I am looking forward to a fabulous year of learning and discovering together!

Warm regards,

Miss Maag
