

# Skip Counting

The following grid has these patterns:

By 2s to 60

By 3s to 60

By 5s to 60

By 10s to 60

Some numbers will be on the grid more than once as they appear in more than one pattern. It does not matter which one you mark each time.

It is suggested that you use a different coloured highlighter for each pattern.

50		42	20	30		15		2
	26	8		28	18	48		57
16		12	60	5	52	10	36	
45		36		40	27	45	20	3
	21	34	24	60	44		39	40
	9	58	54		60	25	10	54
60		24	48		35	4		12
	15		32	20	6		30	10
							30	50
40	6	14			38		56	46
			33	50				
42	55				18	30		22
