

## Greetings Music Parents.

Please join us for our annual  
Staples Music Parent Association Meeting  
September 27th @ 7:00pm  
in the choral room.

Last year was a banner year for our music department and we hope the 2016/17 year will be even better. Highlights from the 2015/16 school year were:

The 75th Candelight Concert

Western Regional Festival hosted at Staples High School

The Chamber Orchestra performing at Symphony Hall in Boston

The First annual Pops Concert at the Levitt Pavillion

AND MORE

Our Music teachers and students count on parental support and help. Major events are an impossibility without YOUR INVOLVEMENT.

This meeting is our **only** general meeting for the school year. And here is the good news, it will be brief yet very informative. You can expect to hear what the teachers are planning and meet fellow music parents.

*Involved parents make for successful kids.*

We hope you'll make every effort to attend.
