

Maria Recycles

by ReadWorks

Maria was helping her dad. She put old cans and bottles in a box. Dad put the box outside. A green truck picked up the cans and bottles. The truck took everything to the recycling center.

"Dad," asked Maria, "what happens to the cans and bottles?"

"They are broken down into pieces," her dad said.

"People use those parts to make new things. Then less trash is left on Earth."

Name: _____ Date: _____

1. What did Maria and her dad collect for the recycling center?

- A. old cans and bottles
- B. paper
- C. old toys

2. What happened before Maria's dad took the box outside?

- A. A green truck picked up the cans and bottles.
- B. Maria put old cans and bottles in a box.
- C. People used the pieces to make a new thing.

3. What happens to the bottles and cans before a person can make new things out of them?

- A. They are buried in the ground.
- B. They are broken down into pieces.
- C. They are put in piles.
