TULARE COUNTY OFFICE OF EDUCATION CHARACTER COUNTS

NOMINEES

 <p>Gabriel Moreno is a wise and hard working student. He is very mature and confident. He works just as hard in the classroom as he does on the football field and manages his time wisely. He has a great destiny for his life and I am excited to see him grow the next four years here at Dinuba High School. He has already overcome so much and shows great resiliency and wants a different path for himself than most around him. He only occupies himself with positive things and shows great leadership.</p> <p>Department: Business Department Teacher: Mrs. Michelle Warkentin Grade: 9th PILLAR: RESPONSIBILITY</p>	 <p>It is difficult to choose one pillar that exemplifies Daisy Sandoval's personality. She would easily fit into all categories. Daisy is a senior at Dinuba High School in the Tulare County Office of Education Special Day Class. Daisy utilizes a wheelchair to get around campus and the community, but she does not let it stop her in any way. Daisy participates in as many senior activities as she can. She helps sell popcorn for the Emperor Fusion Club, and last year was the top salesperson. Daisy attempts to help with anything she can within the classroom and on campus, even though it is difficult for her physically. She is well known on campus and in the community, and is liked by everyone who knows her. She has never let her physical disability get in the way of her positive attitude and a smile. We are very fortunate to know her.</p> <p>Department: TCOE Teacher: Mrs. Brooke Ikuta-Bennett Grade: 12th PILLAR: CITIZENSHIP</p>	 <p>I have known Victoria Gallo for 4 years. I have had the pleasure of being her AVID teacher for her entire high school career. AVID is a program that helps students reach their goal of going to a 4 year university right after high school. Victoria demonstrates responsibility by balancing her time between AP classes, color-guard, and being the president of the Social Justice Club. She never has to be reminded that a project is due, and she also helps her fellow classmates to demonstrate responsibility in their academic studies. Victoria has also demonstrated social responsibility by bringing attention to topics on campus, which include Islamophobia and positive body image. I believe that Ms. Victoria Gallo is a great example for the pillar of responsibility.</p> <p>Department: History Department Teacher: Ms. Berenice Guzman Grade: 12th PILLAR: RESPONSIBILITY</p>
 <p>Margarita Iniguez is a very responsible student. She arrives to class prepared to learn. She turns in all her assignments on time and studies to score high on her tests. She is doing an outstanding job in the class due to her great attitude and her responsibility to succeed. I enjoy having her in class.</p> <p>Department: English Language Dev.
