

Local Control *and* Accountability Plan

2022-2023
Chino Valley Unified School District
LCAP Advisory Committee Meeting
January 31, 2023

Our Objectives For Today

- Understand how the Local Control Funding Formula (LCFF) works and supports the District's Local Control Accountability Plan (LCAP) goals
- Review Chino Valley Unified School District's four LCAP goals and related actions and services
- Provide input on the LCAP goals and actions

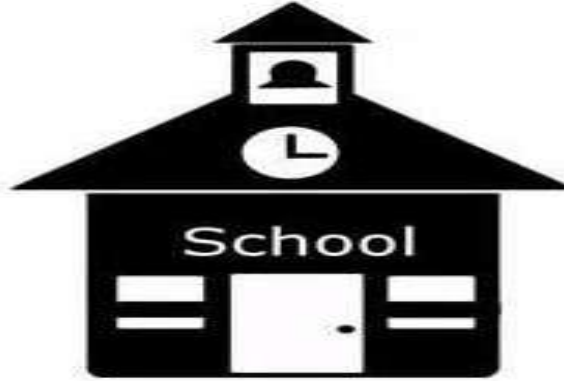

What is the Local Control Funding Formula (LCFF)?

Base Grants

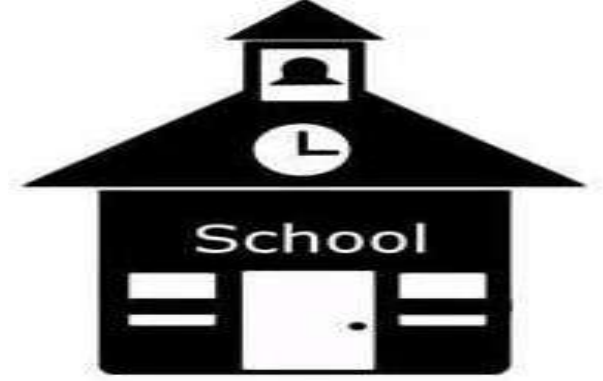

Every student generates a base grant which funds basic educational costs, such as: employee salaries, building costs, and instructional materials.

Supplemental Grants

Low income, English learners, and foster youth/homeless, generate more funding above the base grant (20%).

Funding is to increase and improve services for the specified groups above to improve achievement.

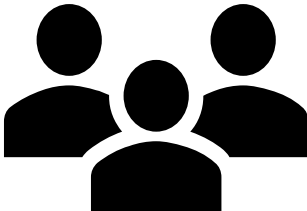

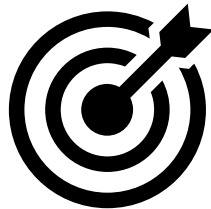

Concentration Grants

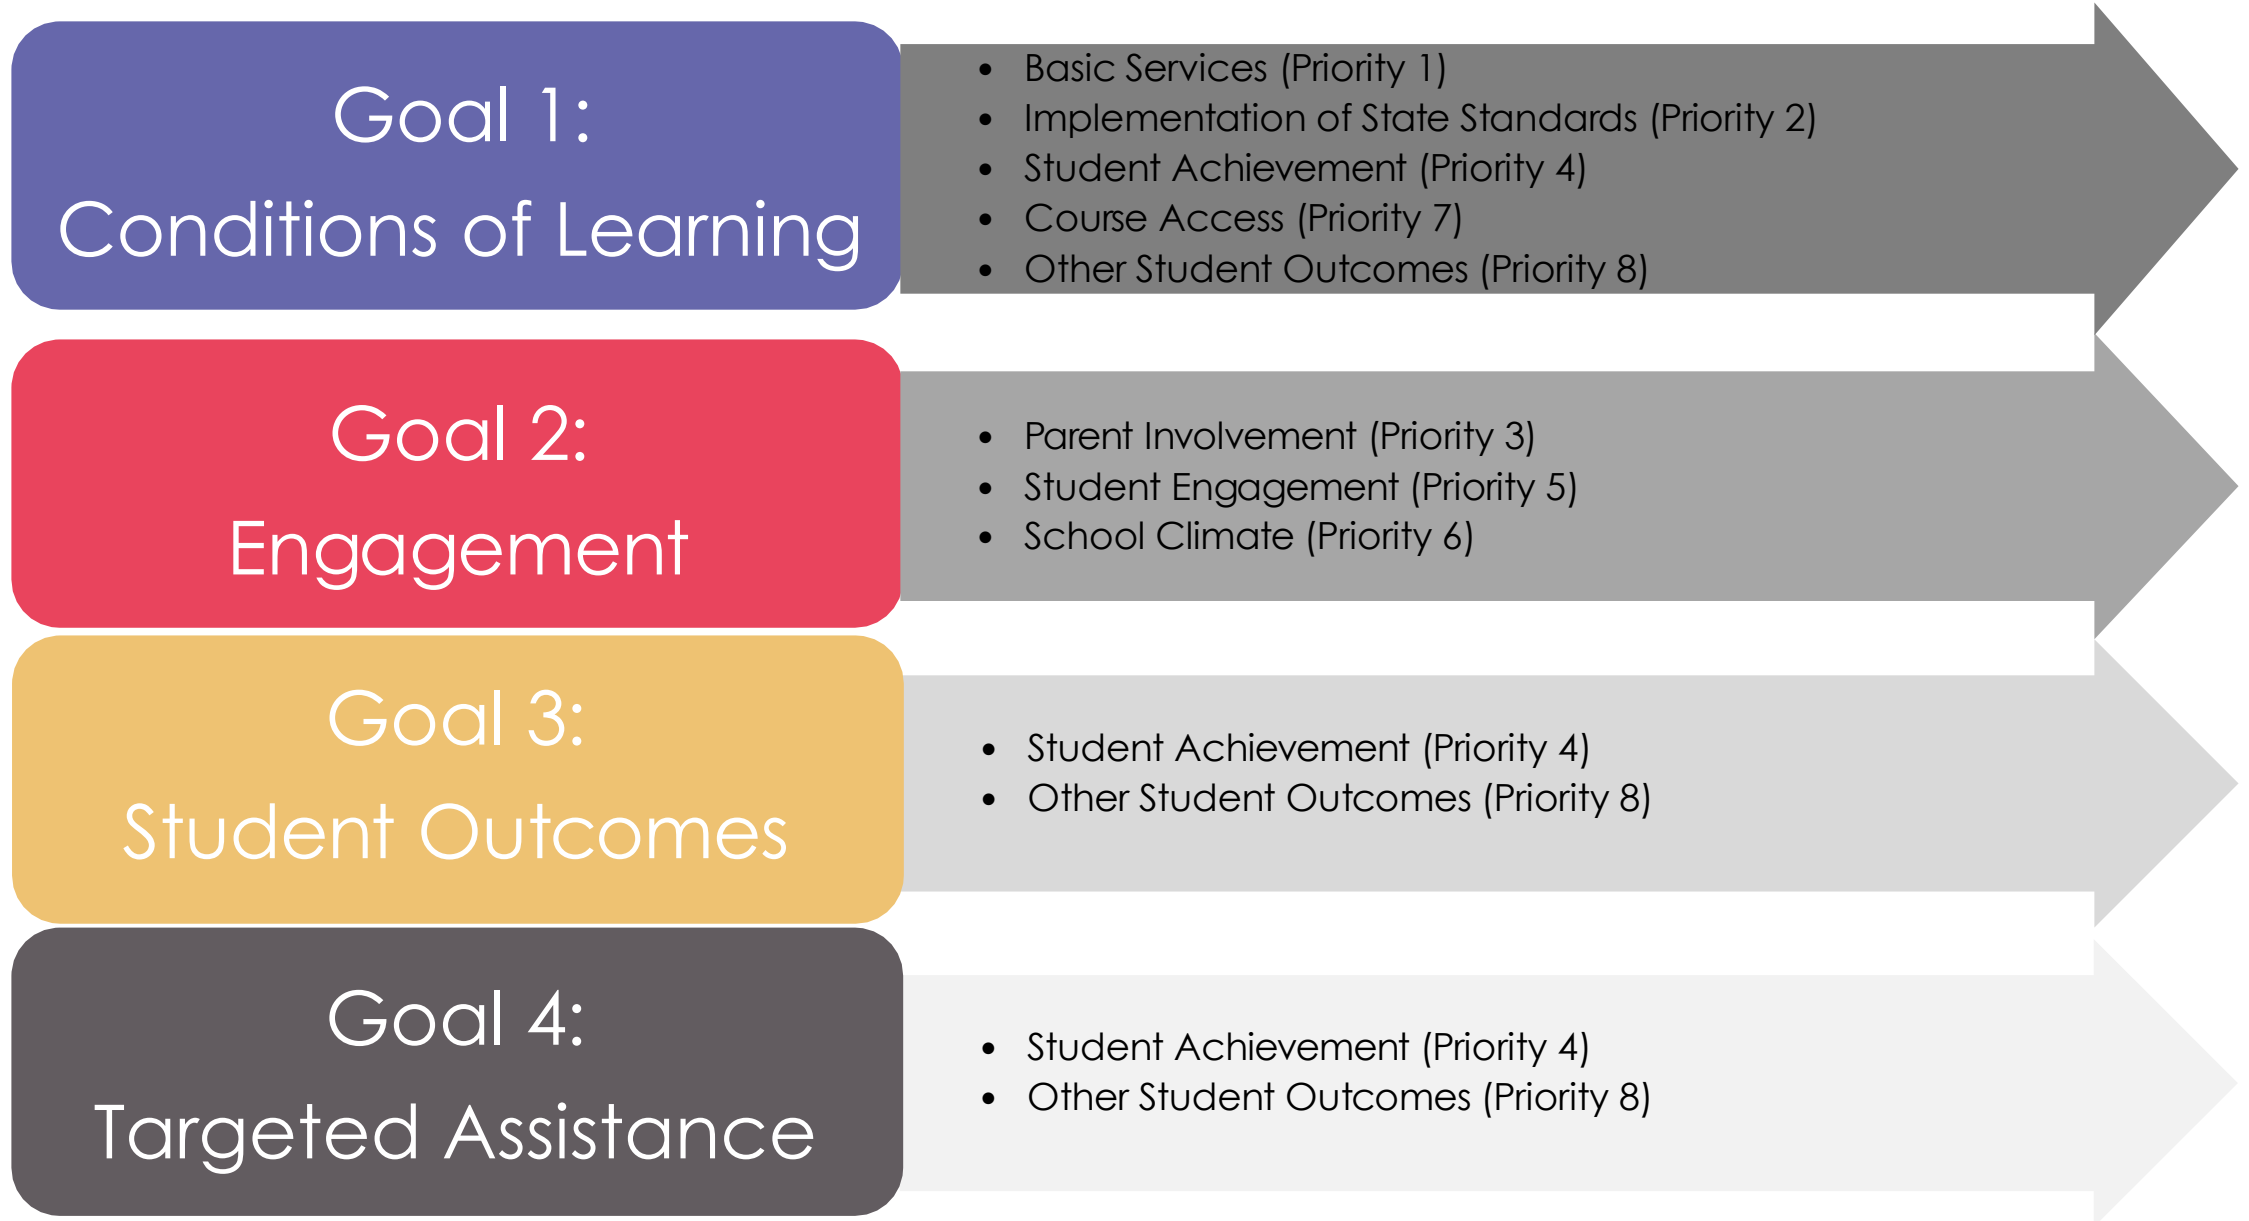

Districts with more than 55% low income, English learners, or foster youth/homeless receive an additional 50% of the base grant.

CVUSD does not qualify for concentration grants.

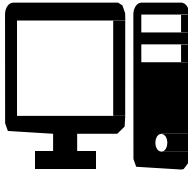

What are the District's 2021-22 through 2023-24 LCAP goals?

Goal 1 Conditions of Learning	Goal 2 Engagement	Goal 3 Student Outcomes	Goal 4 Targeted Assistance
