LOUISIANA'S FASTEST, EASIEST ROUTE TO A 4-YEAR DEGREE

The Transfer Degree Guarantee gives students the opportunity to easily transfer from a 2-year to 4-year institution.

TDG ensures that a community college student can transfer to a Louisiana 4-year public university and immediately enroll with junior-level status in most majors if that student completes 60 hours of prescribed courses, earns at least a "C" in each course, and is awarded a transfer associate degree.

The 60 hours of coursework includes 39 hours of general education courses and 21 hours of more specific courses.

This site offers you comprehensive information about TDG whether you are a student, advisor, counselor or parent. Take a look around and see how the Transfer Degree Guarantee can help students earn a bachelor's degree.

Notes (e.g., Program Admission):

*** Check catalog of transfer institution for specific course recommendations, depending on anticipated major.**

Completion of the AALT/ASLT degree guarantees that the student has met, in full, all lower division general education requirements at the receiving Louisiana public university. Graduates transferring with the transfer degree will have junior status. Courses or GPA requirements for specific majors, departments, or schools are not automatically satisfied by an AALT/ASLT degree.
