MEET the TEACHER

Mrs. Powell

As a media specialist, giving students the opportunity to learn, discover, and grow in their knowledge of themselves and the world are priorities for me.

Children who love reading perform better in school overall. It's simple—the more kids like to read, the more they do it, and the better they become at reading. When reading is fun and easy, kids like it even more.

It's a positive cycle.

Reading Lights Up Your Mind!!
