## Principal's Letter

Dear Parents/Guardians,

I am always surprised with how quickly each school year goes by. Thankfully, the winter weather did not have too much of an impact on the school calendar, and it seems like the warmer weather is finally here. I have been continually impressed with the work ethic of our students whom I have observed both inside and outside of the classroom. Although it is difficult to keep up with the many accomplishments of our students, a few highlights that come to mind from the winter include state championships in gymnastics and boy's hockey, the spring musical *Beauty and the Beast*, and our incredible musical performances. I have really enjoyed attending our students sporting events and performances. If you have the time in your calendar, I would recommend attending some of these events as I am sure you will be quite impressed.

As many of you are aware, there are numerous events scheduled during May and June. The Junior Prom and the Senior Prom are two of the most exciting of the events. Although the adults enjoy these events, student safety and positive memories are always a priority. Prior to the Junior Prom, our juniors and seniors attended a presentation focused on reckless driving. Madison Youth and Family Services worked to secure a powerful and emotional presentation titled, *Matthew's Mission*, presented by Lynn Riordan. In similar fashion, prior to the Senior Prom, all seniors will attend a presentation about the many dangers and consequences associated with driving while intoxicated. I am hopeful that both presentations will leave a lasting impression on our students. Our freshmen and sophomore classes attended a presentation titled, *All That Should Matter*, written and presented by our STAR students. The focus was on the negativity of stereotypes and encouraged tolerance, respect, and acceptance.

One of the most evident observations I have made time and time again at Hand is the concerted efforts our students put forth to do their very best. This effort, at times does cause varied levels of stress. I hope the upcoming summer months will offer an opportunity for all of our school community members to relax a bit and recharge for the next school year.

I have really enjoyed my first year at Daniel Hand. The quality of the staff, teachers, and coaches is exceptional. We are lucky to be working in a community that values and supports education. Stating that our students are impressive is an understatement. They are friendly and caring and truly seem to appreciate the educational and social experiences at Hand.

I would like to wish the Class of 2014 the best of luck in the future. They will certainly be missed.

I hope you all enjoy the summer months.

Sincerely,

***Anthony R. Salutari, Jr.***

## Music Notes

The Tiger Bands had a terrific end of the year. Their spring concert in May honored our wonderful senior class and featured a diverse program of music. In addition to music by Stevie Wonder and two classic jazz standards (featuring seniors Wesley Kimmel and Vivionna McElya), the Jazz Band featured seniors Liam Hye and Griffin McShane on the epic Buddy Rich Big Band chart "Channel One Suite." The 9th and 10th grade Concert Band played music by John Philip Sousa, Steven Reineke, Dana Wilson, and selections from "How To Train Your Dragon." The Symphonic Band, comprised of juniors and seniors, presented movie music from "The Empire Strikes Back", "The Godfather III", and renowned film composer Hans Zimmer. In addition to their end of the year appearances at the Memorial Day Parade and graduation, the bands also participated in the first ever "bed race" in downtown Madison, sponsored by the Chamber of Commerce.

In April, three members of the music department participated in the Connecticut Music Educators Association All State Music Festival in Cromwell. The ensembles at All State feature the best high school musicians in Connecticut, chosen to participate after a rigorous audition process. Mikkie Chu '14 (violin) and Andrew Hook '14 (tuba) were selected to play with the orchestra, and Clara Wang '15 with the band. It was a great experience and we were very proud that they represented Hand at the festival.

## Newsy Notes

This year there were 86 student submissions from DHHS to the **Shoreline Arts Alliance's Future Choices** juried art show. At \$5.00 per entry, \$430.00 was raised for the Shoreline Arts Alliance. Thirty pieces of art work from our school were selected for the exhibition at Lyme Academy that was held during the month of March.

The **Safe a Life Tour** was created in an effort to raise awareness about the dangers of drinking and driving and distracted driving. The program was developed to provide a state-of-the-art, interactive hands-on simulation to show firsthand the deadly consequences of unsafe driving to students at over 1,500 different colleges and universities and over 300 different high schools across the country in the last three years.

On March 31st, the senior class participated in this event. The event kicked off with an assembly that included a video which detailed dangerous driving and a speaker about the dangers of unsafe driving. After the assembly, seniors experienced a driving simulator in smaller groups.

The **Environmental Club** is going to Jeffrey School to teach third graders in Ms. Church's team about repurposing. The club members will be teaching the students about migratory birds in Madison and making bird houses out of repurposed milk containers.

The **History Club, newly** formed, is working closely with the Madison Historical Society to develop a tour of the Madison Green Historic District. The tour will be offered in walking tours, an app and brochure form.

**Unified Basketball** - One of the highlight events during the Daniel Hand Unified basketball season is the annual Unified vs. teachers basketball game which was played at Polson Middle School in March. Teachers from both Polson and Daniel Hand High School were organized into three teams for a small round robin tournament with the unified team. This is the fourth year we've had a basketball game between the unified players and the teachers and each year it grows a little bigger.

**Woody Club** - Students are partnering with the Madison Land Conservation Trust and the CT Dept. of Energy and Environmental Protection to improve Camp Hadley. The group cleared brush from rustic structures to create trails that will bring observers to the remains of a once thriving camp from the Great Depression era CCC.

Sam Wilson'16 brought attention to the site and sought out the Woody Club to lead the effort. Portia Blanchard'16 wrote a grant worth \$1000 through the Pardee Fund for the project to receive funding for a large interpretive sign to be placed at the entrance of the old camp. The Art Club is designing the sign and Liam McCarthy'16 wrote an essay describing its place in history.

In May and June, the Woody Club will be starting a garden at Bauer Farm. Meetings are Fridays at 2:15 p.m. outside the library. New members are always welcome!

## DHHS LIBRARY NOTES

The Daniel Hand Library Media Center is the place to be! The various end-of-year research projects and exams assigned to students have made the LMC a very popular location.

The [2014 Summer Reading List](#) is complete and will be on the school and district websites within the next few weeks. Mr. Petrakopoulos took suggestions from students and staff and tried to include something for everybody. The books are already in the Daniel Hand LMC. Many of the titles are available as e-books and audiobooks on Overdrive and Follett Shelf.

Speaking of the Summer Reading List, Daniel Hand High School was recognized by the state as one of the top performing schools in the *Governor's 2013 Summer Reading Challenge*. An award ceremony will take place in May at the Connecticut State Library where Governor Malloy will recognize students and staff. We couldn't have done it without our readers!

The LMC would like to thank Heather Lodge, Phyllis Annunziata, and Elizabeth Ruben for their volunteer work in the LMC this year. You were all a huge help. The LMC is always looking for volunteers to help with various tasks. Call us at (203)-245-6376 or email [Gilbertd@madison.k12.ct.us](mailto:Gilbertd@madison.k12.ct.us) for more information.
