ATTENDANCE

Parents/guardians will be contacted to advise them of excessive absences.

To Be Counted Present

- Most courses will be taught synchronously, which means students will attend classes via web-conferencing (Zoom, Google Meet) and receive live instruction from teachers similar to the traditional setting. Other courses will be asynchronous which is student-paced and monitored by a teacher.
- Students that maintain a 70 or above average will not have to attend ZOOM meetings on a daily basis. Students that do not maintain a 70 or better average will have to attend required ZOOM meetings (Monday, Tuesday, Thursday and Friday). *A student's eligibility for the 70 or above attendance exemption will be determined by the classroom teacher once grades have been entered for required course assignments.
- Attendance is also measured by completing and submitting assignments successfully; participating in course activities such as discussions and projects; and communicating with online teacher(s). Additionally, there will be opportunities for students to attend one-on-one, small group, and/or intervention/tutoring as needed.
