MONTEZUMA-CORTEZ HIGH SCHOOL

PREPARE, GRADUATE, TRANSITION, AND SUCCEED!

Principal's Welcome

Parents and Students,

I hope that everyone is healthy during these uncertain times. What a first year it was as principal. Last year was a challenge with the onset of a worldwide pandemic but I was very pleased with the way the staff and students took a challenging situation and made the best of it.

This year will also be a challenge as we continue to battle the pandemic; the difference this year is that we are prepared. We have a plan and are ready to do what we need to do to continue to get our students ready for their futures. Education may not look the same as it has in the past, but it has given us a jumpstart on how we need to change for the future. Last year, we took a two-hundred-year-old educational system and changed it into an online system in two weeks. This year we are ready for both in-person as well as online learning.

When we can safely be in-person at the school, we will continue to offer the vast course offerings that we always have. We will need to modify some of our curriculum this year to make sure that we are able to keep all our students and staff safe. We have been working all summer with our local county health department as well as many local doctors to make sure that we are following the best practices to keep everyone safe. This also applies to our athletics programs as CHSAA had to make some changes to the way things used to be done to make sure that we are as safe as we can. We might like these changes, but it is what we need to do as a school.

We will also be prepared just in case we need to move to online learning. Teachers are preparing lessons this year that can be moved seamlessly from in-person instruction to online instruction. There will not be delays in this instruction as we will just continue with the curriculum. Then when we are able, we will move back to in-person instruction and once again continue on preparing our students.

This year we will be launching our new M-CHS Graduation Profile. The development of our Graduation Profile was a year long effort last year that included community members, businesses, parents, students, and school staff. It is what we want all graduates of M-CHS to know and be able to do. Look for this new exciting graduation profile this year.

The 2020-2021 school year is posed to be an interesting year. We have a great team of teachers and support staff to help *Every Student, Every Day* move towards their educational goals. We will all need to be flexible and adjustable as things change over the year. We are looking forward to another great year at Montezuma-Cortez High School.

MONTEZUMA-CORTEZ HIGH SCHOOL Song:

"From the Halls of Montezuma, to the north, south, east, and west.
 Come our boys and girls together, to the high school they love best.
 We're the loyal sons and daughters. To the colors we'll be true.
 We'll go forth with adoration and fond memories of you.
 Give us man to match our mountains. Give us maids to match our skies.
 And the glory of our native land will be Montezuma High!
 MC...MC...M-C-H-S
 Orange and black,
 We Are the best!
 M-C-H-S. We are the best
 Panthers, Panther, Panthers!"

ACADEMIC OPTIONS

Equal Education Opportunity [JB]

Every student of this school district shall have equal educational opportunities through programs offered in the school district regardless of race, color, ancestry, creed, sex, sexual orientation, religion, national origin, marital status, disability or need for special education services.

Honors Diploma Program

The Honors Diploma Program represents the most academically-rigorous course of study at Montezuma-Cortez High School. Available to all fulltime students, the program provides an individualized academic experience for participants so they can get the most out of their experience at Montezuma-Cortez High School as well as prepare for future studies.

Honors Diploma candidates are required to complete all aspects of the program which includes five components: An Educational Plan, Academic Excellence Requirement, Specialized Learning Assignment, ICAP (Individualized Career and Academic Plan), and Individual Involvement.

For more information or to apply to the program, please contact the program coordinator, Mrs. Copeland (scopeland@cortez.k12.co.us), or visit the Counseling Office.

Academic Letters

The Academic Letter is based on Grade Point Average (GPA). To qualify for an Academic Letter, a student must carry at least five subjects a semester. Eligibility is based on the following scale:

- 9th Grade – Cumulative GPA of 3.70***
- 10th Grade – Cumulative GPA of 3.65***
- 11th Grade – Cumulative GPA of 3.60***
- 12th Grade – Cumulative GPA of 3.55***

Advanced Placement Classes [IHCDA-R, IJNDAB]

Students have the option of taking Advanced Placement (AP) classes and concurrent enrollment with approved colleges and programs. Montezuma-Cortez High School offers AP classes in the following disciplines: English, Social Studies, Math, Science, Computer, and Art. In an effort to uphold the highest standards for these classes, students are expected to meet or exceed class expectations and demonstrate their commitment to the class. AP students are also required to take the AP exams in May. There are costs associated with AP courses and payment is required prior to taking the tests in May. Students enrolled in AP classes must take the AP test to receive AP credit on their transcript.

ASCENT (Accelerating Students through Concurrent Enrollment)

Acceleration Students through Concurrent Enrollment (ASCENT) is a fifth year high school program that allows students to participate in concurrent enrollment the year after 12th grade. Students interested in this program should reach out to their grade-level counselor.

English Language Learners [IHBEA]

In keeping with the intention of the state of Colorado and this school district to offer educational opportunities to those students with limited English proficiency, the district shall provide suitable research-based language instructional programs for all identified English language learners in grades kindergarten through 12. The district shall identify students as English language learners using the state-approved assessment for English language proficiency. Identified students shall be assessed annually to determine their level of proficiency in the English language.

Exceptional Student Services (ESS) [IHBA]

Any student identified as a child with disabilities pursuant to the Individuals with Disabilities Education Improvement Act of 2004 (IDEIA) who is between the ages of three and 21 and who has not been awarded a regular high school diploma and graduated from high school has the right to a free and appropriate public education. These eligible students with disabilities shall be provided individualized programs appropriate to meet their educational needs, as determined by the students' Individualized Education Program (IEP) or Individual Family Service Plan (IFSP) teams.

Online Courses through CDLS [IJDAB]

During the 2020-2021 school year, students may choose to pursue their learning virtually through courses provided by the Colorado Digital Learning Solutions (CDLS). Parents and students can learn more about this program and register for courses through the school district website (<https://www.cortez.k12.co.us/parents-students/student-registration>). **Drop dates for CDLS courses are August 28th (Semester 1) and January 15th (Semester 2); after these dates, students must remain in these courses for the remainder of the semester and may not transfer to in-person learning.** It is important that students communicate with their counselor to understand which courses to register for in order to ensure that they remain on the path to graduation.

Concurrent Enrollment [IHCDA]

M-CHS offers the option for high school students to enroll in college courses, allowing the student to earn high school credit simultaneously with community college credit. Note that while the district will pay the cost of tuition for concurrent enrollment courses, the qualified student and the student's parent/guardian shall be responsible for the cost of textbooks and fees for postsecondary courses. If you are interested in this program, please see your counselor for more information.

Foundations/Summer School/Credit Recovery

In an effort to allow students to recover credit and stay on the path to graduation, students may be required to take a Foundations class during the school year or attend summer school to make up the credit lost. Not all courses have this option (see course catalog or consult counselors for more information).

Early Graduation [IKFA]

The Board of Education believes that most students benefit from four years of high school experience and that students should be encouraged not to graduate early. However, students may apply for early graduation in accordance with this policy. Students interested in early graduation must meet with the senior level counselor, fill out and turn in a completed application packet by April 1st of their junior year (if intending to graduate at the end of second semester of junior year) and November 1st of their senior year (if intending to graduate at the end of the first semester of senior year).

Senior Work Study/Internships

This program is designed to help students that may need to work during the school year and still receive credit. Students must make arrangements for their employment and will be required to turn in their work contract as well as pay stubs every 2 weeks. Students must work a minimum of 68 hours a semester to receive credit. A maximum of one (1) Senior Work Study class is allowed per semester. For class approval, student's maturity level, grades, attendance, and discipline records will be reviewed. Additional academic components may be required to obtain credit for Work Study.

Teacher/Student Aides

Seniors who wish to become an Aide must find the teacher/office that they wish to work under and get their approval (signature form) in the spring before their senior year. Each teacher may only have one Student Aide; therefore, the first to submit their approval form for a teacher will get that placement. For approval, student's maturity level, grades, attendance, and discipline records will be reviewed. Seniors may only earn one (1) Student Aide credit.

M-CHS Graduation Requirements

All graduation requirements must be met by Monday, May 17 to participate in the 2021 graduation ceremony. Seniors who do not complete all the requirements by this date will not be allowed to walk at graduation. These seniors may still receive their diploma if they complete all requirements by June 30, 2021.

Seniors shall receive notification from the Counseling Office if their graduation status is in jeopardy prior to graduation.

1. A **Montezuma-Cortez High School Honors Diploma** will be awarded to those students who choose a more rigorous academic course of study. The Honors Diploma will be awarded to each student who has satisfactorily completed all state and local requirements of units of credit and have met the competence requirement. Additionally, each Honors Diploma student must complete all the requirements of the Honors Diploma Program to receive this diploma.
2. A standard **Montezuma-Cortez High School Diploma** will be awarded to each student who has satisfactorily completed all state and local requirements of units of credit and have met the competence requirement. Accommodations or alternatives to assessment for students with disabilities will be determined by the unique needs of the students as documented in his/her IEP.
3. A **Montezuma-Cortez High School Career and Technical Diploma** will be awarded to those students who satisfactorily complete all state and local requirements of units of credit and have met the competence requirement. This diploma option is for students wishing to enter directly into the workforce following graduation. To receive this diploma, parents must meet with the students' counselor and/or case manager.

The building principal or designee shall oversee the awarding of the diplomas including:

1. Determination and notification of students eligible to receive the appropriate diploma.
2. Provisions to ensure that students receive the most favorable diploma through counseling and other assistance as needed.
3. Assurance that each awarded diploma, or denial of diploma, shall be rational, reasonable and nondiscriminatory. All students shall be given an opportunity to earn a Montezuma-Cortez High School diploma.

Honors at Graduation [IKF]

Valedictorian

The valedictorian will be selected from the students who are accepted into the Honors Diploma Program and complete all the components of the Honors Diploma Program. Valedictorian will be awarded to the Honors Diploma candidate who successfully maintained the highest grade point average (GPA) during his or her four years at Montezuma-Cortez High School. The GPA will be based on students' cumulative GPA and will include the final 2nd semester grades. If two or more students tie for the highest GPA, the highest submitted SAT test score determines valedictorian. The school will not pay for additional tests apart from the mandated junior year SAT test. All test scores must be submitted in an official College Board report form to the M-CHS Counseling Office by April 1st of the senior year to be considered for valedictorian status.

Students who choose to graduate early or are taking classes at the college level through ASCENT will not be eligible for either Valedictorian, Salutatorian, or Top 20 Student acknowledgement.

Salutatorian

The Salutatorian will be the student accepted into the Honors Diploma Program who has completed all the components of the program and has the second highest GPA. If two or more students tie for the highest GPA, the second highest SAT test score determines salutatorian.

Honors Diploma Program

Students who complete all the requirements of the Honors Diploma Program will be acknowledged at graduation and will wear a medallion acknowledging completion of the program.

Top 20 Students

The top 20 students in the graduating class, as determined by GPA, will be acknowledged at graduation.

National Honors Society

Membership in the National Honor Society requires that a student be a sophomore, junior, or senior who has completed three or more semesters and must have a 3.50 cumulative GPA, have a faculty approval, and be involved in extracurricular and/or community activities. To qualify for the National Honor Society, a student must carry at least three subjects a semester. NHS members will wear a stole at graduation.

GRADING AND ASSESSMENT

Grading and Assessment Overview [IKA, IKA-R, IKE, IKF/IKF-2-R]

Students earn credit based on semester grades. Generally, the majority (85% or more) of a student's grade is based on major assessments, including end-of-course exams, unit tests, and portfolio writings. Homework, classroom engagement, and activities such as practice worksheets constitute a smaller portion (no more than 15%) of a student's grade.

Cumulative, skills-based written and/or performance assessments are given in the middle and end of each semester in all courses, including electives, in order to assess each student's progress toward meeting the standards for the course. These include formal exams, standardized tests, projects, writing portfolio submissions, and performance-based activities.

Each core academic department establishes requirements to determine student grades for a course.

- English:* To gain credit, students must earn a final classroom grade of at least 66% and have a complete and proficient (70%) Writing Portfolio.
- Math:* To gain credit for Algebra I, Geometry, and Algebra II, students must earn a final classroom grade of at least 66% and pass all four quarter exams. A 66% is required in all other M-CHS Math classes while PCC Math classes must earn a 70% to gain credit.
- Science:* To gain credit for Physical Science, Biology and Earth Science, students must earn a final classroom grade of at least 66% and pass each unit exam as well as the required quarterly lab. All other Science courses must earn at least a 66% to gain credit.
- Social Studies:* To gain credit for all Social Studies courses, students must earn a final classroom grade of at least 66% and have passed all unit exams.

Final determination of student grades will be made based on student performance on required skills and knowledge as determined by grade equivalent District and State standards. If students pass 1st semester, they will not have to retake that semester if they fail the 2nd semester.

Grading Scale

- 90-100% = A
80-89% = B
70-79% = C
66-69% = D (Academic Support Recommended)
0-65% = F (Academic Support Required)

- I = Incomplete Credit is not awarded for the course regardless of percentage; students with an Incomplete must complete required work within 2 weeks of the end of the semester to earn credit in a course. If required work is not completed within 2 weeks, the grade will automatically turn to an F regardless of the percentage.
- NC = No Credit Credit is not awarded for the course and the course does not affect the students grade point average (GPA); students are required to recover the credit through Summer School or an approved Credit Recovery class.
- P/F = PASS/FAIL Only a select few classes that are solely attendance-based award credit on a Pass/Fail basis; these courses are identified in the Course Description Guide. A grade of P in a Pass/Fail class does not factor into a student's GPA.

Grade Point Average (GPA)

For the purposes of calculating student GPA, the following values are used: A = 4.0; B = 3.0; C = 2.0; D = 1.0. Montezuma-Cortez High School does not award partial values for + or – grades.

For the purposes of calculating student GPA, grades in AP and concurrent college enrollment classes are weighted and therefore are awarded the following values: A = 5.0; B = 4.0; C = 3.0; D = 2.0

College Entrance Exams

The State of Colorado requires all Juniors to take the SAT in the spring of their junior year. Because some colleges and universities require the ACT, we recommend that students take the ACT at least once in their junior year as well. Seniors may choose to retake their College Entrance Tests; these should be done in the fall semester to ensure that colleges and universities can consider their most recent scores for admission. The M-CHS Test Center Code is 060305. Registration is completed on the internet: www.collegeboard.com for SATs and www.act.org for ACTs.

District Assessments

The district administers a variety of state tests to help our teachers better understand your child’s academic needs and progress. You will receive information on your child’s performance (achievement and growth) on those tests including, but not limited to: *READ Act*, *Colorado Measures of Academic Success (CMAS)*, *ACCESS for English language learners*, *P-SAT*, and *SAT for High School students*. Parents are encouraged to reach out to their child’s teachers or the principal with any questions about these assessments or their child’s performance. Parents wishing to opt out of any of these tests need to schedule an appointment with the principal to make that request.

Assessment Retakes

Students may retake any assessment*. Requirements for a retake are determined by departments and may include completion of all homework, conferencing with the teacher, revision of the original assignment, etc. All retakes must be requested within one week of the original assignment’s return to the student, and the retake must be completed by the deadline determined by the teacher. *Retakes are generally not given in AP and Concurrent Enrollment courses due to the nature of these courses.

Late Work [IKA]

Policies regarding late work are determined by academic departments and are consistent for courses within each department, but shall generally follow the district policy of 1 day allotted for making up work for every day missed. Departmental late work policies are clearly communicated in the course syllabus for each class.

Progress Reports

The parent portal via PowerSchool allows parents to access their student’s grades and schedule at any time. Please contact Gina Littlefield (970-565-3722, ext. 2129) in the Counseling Office to obtain your username and password to set up your account.

Report Cards

Report cards are a record of the student’s work for a grading period and are mailed home at the end of each semester. The report card includes academic grades from each teacher and reflects official grades that also appear on the student’s transcript.

Honor Roll

An Honor Roll is published in the *Cortez Journal* at the end of each semester for full-time students who have accomplished the following academic standards for that semester:

<i>Scholar</i>	4.0	GPA
<i>Honor Roll</i>	3.7 – 3.9	GPA
<i>Honorable Mention</i>	3.2 – 3.69	GPA

Students pursuing ASCENT or Early Graduation will not be included on the Honor Roll after they complete their regular course studies at M-CHS.

Attendance [JEA, JFBA, JFBA-R, JFC, JFC-R, JH, JHB, JLIB]

Good attendance is essential to academic success. A significant part of the student's experience is derived from classroom relationships, activities, discussion, and participation. Students cannot learn when they are not present. Unauthorized (“unexcused”) and frequent personal absences are disruptive to the educational program. Make-up work cannot duplicate the learning process in the classroom. It is important to understand that it is the responsibility of the student to communicate with teachers about any missed classwork.

In an effort to ensure that parents/guardians are informed of their student's status on a regular basis, the following process will be in place concerning attendance.

1. PowerDialer will contact parents each period student is absent.
2. At 5 unexcused absences in a semester, a letter of concern will be sent home.
3. At 8 unexcused absences in a semester, parents will be contacted via phone.
4. At 10 unexcused absences in a semester, parents will be notified of a mandatory meeting to set up a plan of remediation.

After any absence from school, students should report to the front office to account for their absence. The student must provide verification of the absence from a parent/guardian in the form of a signed note and/or a phone call to 565-3722 x2100. If a student brings in a valid excuse (signed note from parent confirming reason for absence, a doctor's note, dentist note, funeral notice, legal notice, etc.), that absence will not count against the student as an unexcused absence. The missed days are only tallied when a student is absent from school without notification/documentation. Funeral absences will allow 2 days for a funeral (all other days taken will count against verified absence number). Please contact administration for extenuating circumstances.

If a student is absent from school, parents have two (2) business days from the date the student returns to school to contact the front office to request that the absence be changed from unverified to excused. The following are reasons approved by RE-1 school district:

1. A student who is temporarily ill or injured or whose absence is approved by the administrator of the school of attendance on a prearranged basis. Prearranged absences shall be approved for appointments or circumstances of a serious nature that cannot be taken care of outside of school hours. Prearranged absences shall include: medical and dental appointments, court appearances, family trips, college visits for seniors, and seasonal work.
2. A student who is absent for an extended period due to physical, mental or emotional disability.
3. A student who is pursuing a work-study program under the supervision of the school.
4. A student who is attending any school sponsored activity or activities of an educational nature with advanced approval of the administration.
5. A student who misses for impassable roads (for bus transportation).

Student and parents/guardians will have the ability to appeal any decision on attendance with M-CHS Administration.

All arrangements for make-up work due to an absence will be made on the first day the student returns to school. It is the student's responsibility to initiate contact with the teacher for make-up work and to meet the teacher's established due date. Make-up work for unexcused absences is done at the teachers' discretion when the student first returns to school. Please note that in the case of **truancy** (an unexcused absence), students may be subject to discipline procedures (see below) and departmental policies concerning make up work. In the case of a missed quiz, test, etc., teachers may require the assessment be made up the day a student returns in the case of an unexcused absence.

According to state law, it is the obligation of every parent/guardian to ensure that every child under their care and supervision receives adequate education, training, and, if of compulsory attendance age, attends school.

Attendance During Remote Learning Periods [EBCE]

During days of remote instruction, teachers will take attendance and monitor student participation through PowerSchool and Google Classroom. For situations that are out of the control of the student, days of remote instruction will be treated with the same exceptions as an excused absence in regard to work assigned.

Tardies

We value instructional time. Both students and teachers are to make full use of each class period. In order for that to occur, students are expected to be on time and prepared for each class.

Students have **five (5) minutes** as a passing period between classes. Students must be in class and prepared with all assignments and materials to begin the lesson on time. Students not present and prepared are considered tardy to that class.

If the student is late and **within 10 minutes** of the final bell, the student will be considered and marked tardy. If the student is late **past 10 minutes**, the student will be marked absent-unverified. The only time a student will receive a tardy slip from the front office is when the student is excused from being tardy due to a stated excused absence as stated above. Tardies will be documented in PowerSchool by the teacher.

Tardies are accumulated for all classes per semester in the high school. As detailed above, accumulating unexcused absences (due to tardiness or cutting) will result in meetings with parents. If not corrected before ten unexcused absences have occurred, disciplinary consequences occur.

The following policy will be in place concerning tardies:

1. Teachers will record tardies in PowerSchool and will make at least one phone call home following the first 4 tardies to their class each semester.
2. At the 5th tardy, the student will be referred to the Assistant Principal; parents/guardians will be notified again of the excessive tardies; and the student will serve lunch detention(s).
3. At the 6th tardy, student will earn more lunch detention(s).
4. At the 7th tardy, parents/guardians will be notified of mandatory meeting where a plan for remediation will be devised and implemented.

Checkout from school [JLIB]

In order to leave campus, students must be checked at the front office window by a parent or guardian who is listed under Contacts in PowerSchool. Parents or guardians are welcome to call ahead to make arrangements and communicate the reason for the student leaving campus, but must be physically present on campus to pick up the child from school. Additional contacts may be added to PowerSchool. If needed, parents or guardians can pick up a form at the front office to make this addition.

Temporary Guardianship

Many times parents leave town for a specified amount of time and leave their child under the supervision of a friend, or caretaker. Parents who assign guardianship of their child to another adult must provide the school with a **signed affidavit (notarized)** that indicates the level of decision-making authority that the temporary guardian is granted. Should the student become ill, or have to leave the school early for some reason, the school may not release the child to the caretaker without the parent's written permission.

School Dismissal/Cancellation [EBCE]

The superintendent is empowered to close the schools or to dismiss them early in the event of hazardous weather or other emergencies which threaten the safety, health or welfare of students or staff members. Parents and students will be alerted to any school cancellations via the school district's automated calling system.

In the event school is physically closed due to a public health emergency, all staff with direct student contact or associated with student attendance will not physically report to work unless notified otherwise. Instead, the district will utilize a form of remote instruction. Remote instruction allows students to access lessons provided by, and supported by, their regular teachers and allows students to continue their sequence of learning despite their inability to access facilities.

To ensure all students have the ability to access their lessons via remote instruction, the district will provide one-to-one electronic devices and supply internet hotspots when appropriate.

ADDITIONAL M-CHS POLICIES AND PROCEDURES

Bicycles

Bicycle racks are located outside the building and students are welcome to use them. For safety, students riding bicycles should ride them only on the streets and driveways at M-CHS.

Cell Phones/Electronic Devices [JICJ]

Cell phones/Electronic Devices will be allowed in M-CHS and will be allowed during class for academic purposes at the discretion of the classroom teacher. If a student's cell phone rings, buzzes, or interrupts a class in any way, the phone can be confiscated.

Confiscated cell phones will be returned according to discipline policy

1st violation in class: Teacher takes cell phone and returns to student at end of class.

2nd violation in class: Teacher takes cell phone and turns in to Assistant Principal's office. Student can get it back at the end of day and there will be a phone call home from office.

3rd violation in class: Teacher takes cell phone and turns it in to Assistant Principal's office. Parent will need to pick up cell phone.

4th violation in class: Teacher takes cell phone and turns it in to Assistant Principal's office. Parent will need to pick up cell phone and sign agreement that their student will not have cell phone in building for remainder of school year.

Communication with teachers during periods of online learning

In periods of online learning, electronic communication between students and teachers should take place only via email or the Google Suite (Google Chats, Google Docs, Google Classroom, etc.), and should occur between the regular school hours of 8:45 and 4:15. Communication, questions, etc. that occur outside of these hours may result in a delayed response as they are occurring outside of normal school hours. In general, teachers should respond to an email no more than 24 hours after it was sent.

Course Amendment Requests, Schedule Changes, and Testing Out [IKF/IKF-2-R]

Students seeking exceptions to requirements stated in the course catalog may request permission to override these requirements by filling out a "Course Amendment Request" form that can be acquired from their grade level counselor.

Changes to course schedules must be made in the first two weeks of the semester. Students who wish to change their schedule need to make an appointment and talk to their counselor. Changes are only made when there is room available to make the switch and for legitimate academic purposes.

Students may request to test out of required course work that is a prerequisite for a diploma. This requires successful performance on an exam designed to measure mastery of the exit outcomes of that course. Upon passing, the student will receive high school credit for the course. Students may only test out of core classes for which end-of-course outcomes have been established.

Dances

School rules and discipline consequences are in place at all school dances. To maintain a safe environment, students are to arrive at the dance and stay. They may leave but may not reenter the dance. High school students wishing to invite high school students from other schools must complete 'Dance Guest' form from the Activities office.

All students at M-CHS Dances are subject to M-CHS rules and expectations. Smoking or drinking controlled substances is not allowed. A student who is suspected of substance violations will be detained and subject to the Discipline Code.

Deliveries to the office

Flowers, balloons, etc. can be delivered to the school. Deliveries will be received by the secretaries in the office and the student will be notified of the delivery. All items must remain in the office until lunch or after school and may not be picked up by students during the school day. In addition, delivered items such as flowers, balloons, etc. may not be brought into the hallways or into classrooms on campus during the school day.

Dress Code* [JICA]

A safe and disciplined learning environment is essential to a quality educational program. District-wide standards on student attire are intended to help students concentrate on schoolwork, reduce discipline problems, and improve school order and safety. The Board recognizes that students have a right to express themselves through dress and personal appearance; however, students shall not wear apparel that is deemed disruptive or potentially disruptive to the classroom environment or to the maintenance of a safe and orderly school.

Any student deemed in violation of the dress code shall be required to change into appropriate clothing or make arrangements to have appropriate clothing brought to school immediately. In this case, there shall be no further penalty.

1. Violations should be treated as minor on the continuum of school rule violations.
2. No student should be disproportionately affected by dress code enforcement because of gender, race, body size, or body maturity.
3. The dress code should be clearly conveyed and articulated to students.
4. Students should not be shamed or required to display their body in front of others. (students, parents, or staff) in school. "Shaming" includes, but is not limited to, kneeling or bending over to check attire fit, measuring straps or skirt length, asking students to account for their attire in the classroom, and directing student to correct a dress code violation during instructional time.

If the student cannot promptly obtain appropriate clothing, on the first offense, the student shall be given a warning and an administrator shall notify the student's parents/guardians.

Students May Wear:

1. Hats, including religious headwear
2. Hoodie sweatshirts (covering the head not allowed)
3. Fitted pants, including leggings, yoga pants and "skinny jeans"
4. Ripped jeans, as long as underwear is not exposed
5. Tank tops, including spaghetti straps, and halter tops
6. Athletic attire

Students May Not Wear:

1. Violent language or images or depictions of weapons
2. Images or language depicting or promoting drugs or alcohol (or any illegal item or activity) or the use of same
3. Hate speech, profanity, pornography
4. Images or language that creates a hostile or intimidating environment
5. Visible underwear. Visible straps on undergarments worn under other clothing are not a violation.
6. Hoodie covering the head
7. Pajamas
8. Sunglasses inside of the building
9. Shorts, dress, skirts or other similar clothing shorter than mid-thigh length
10. Any clothing, paraphernalia, grooming, jewelry, hair coloring, accessories, or body adornments that are or contain any advertisement, symbols, words, slogans, patches, or pictures that:
 - Are of a sexual nature
 - By virtue of color, arrangement, trademark, or other attribute denote membership in gangs
 - Are obscene, profane, vulgar, lewd, or legally libelous
 - Threaten the safety or welfare of any person
 - Promote any activity prohibited by the student code of conduct
 - Otherwise disrupt the teaching-learning process

Exceptions

Appropriate athletic clothing may be worn in physical education classes. Clothing normally worn when participating in school-sponsored extra-curricular or sports activities (such as cheerleading uniforms and the like) may be worn to school when approved by the sponsor or coach.

**Pending School Board Approval*

Fees

M-CHS public education is tuition-free but not completely free of expense. We do have RE-1 school-board approved fees for consumables such as laboratory supplies, visual arts supplies, catering cooking supplies, fashion design/sewing supplies, etc. In addition, students must buy their own pencils, paper, pens, erasers, notebooks, and other personal items on the school supply list.

Johnson O'Malley Program

JOM Program is set up for any Native American student that provides a proof of a certificate of Indian blood. This certificate must be turned into our Activities/Athletic Office. If a student qualifies for this program, funds can be used to cover certain fees required by the school. For more information about this program, please see the Activities Secretary, Ms. Elsie Walck (970-565-3722, x2122).

Games

Students may play physical games (such as hacky sack, catch, etc.) only in the gym or outside. Students may not play such games in the halls or Commons area.

Internet Usage Policy [JS]

Use of the Internet and electronic communications demands personal responsibility and an understanding of the acceptable and unacceptable uses of such tools. Student use of the Internet and electronic communications is a privilege, not a right.

All M-CHS students and parents will be required to review the district's policy concerning internet usage (policy can be found [here](#)), and students who violate the policy will face discipline consequences under the section "General Code of Conduct Violations."

Lockers

M-CHS provides a limited number of academic hallway lockers to students. Students are encouraged to share a locker with another student. Students are responsible for the security and upkeep of their own lockers. If there are any problems, students should report them to the main office. No modifications to the inside or outside of the lockers may be made. Appropriate pictures may be hung only with scotch or masking tape – no stickers, decals, etc. are allowed. The student assigned to the locker is responsible for all damages and will be charged for all cleanup, repairs or damage.

Lockers are school property and remain under control of the school. By state and federal laws, the contents of a locker may be searched by school officials without notice or consent if there is a "reasonable cause" to believe that the locker contains illegal or suspect materials. The student may also be denied the use of a school locker for serious violations. Any student found tampering with lockers or locks will be charged for replacement costs and appropriate disciplinary action will follow.

All lockers in use must have a lock. Contents of lockers used without a lock will be bagged and held in the Main Office. M-CHS is not responsible for the security of any items stored within lockers. Students are reminded to keep their lockers locked and to not share their combinations with anyone else.

Lost & Found

M-CHS provides a lost and found for students. Please turn in any found items to the main office.

Parent Drop-Offs

M-CHS asks for assistance in maintaining a safe school. Parents can help in this effort by:

- Not leaving cars unattended in the drop off lane / fire lane;
- Observing and adhering to all traffic signs;
- Keeping a keen eye out for, and yielding to pedestrian traffic;
- Using common sense and safe driving habits when driving through the parking area.

Parking Policy:

Limited parking is available in the southwest lot and is open to M-CHS students. Due to the size restriction of the lot, spaces are available only on a first-come-first-served basis. Vehicles parked in undesignated areas (walkways, sidewalks, fire lanes and handicap spaces) may be towed at the owner's expense. Parking on campus is a privilege, not a right, which may be withdrawn should an M-CHS student's driving and parking habits become an issue. Any violators may be towed at owner's expense. The northwest and north parking lots are reserved for staff and visitor parking. There are also two loops in the front of the building. Please be aware of each of these loops and their purposes—the north loop is for parent drop off only and the south loop is for bus drop off and pick up only.

Prom

Prom will be considered a separate event, not a dance, therefore all events included with Prom are subject to the following:

1. M-CHS juniors and seniors are invited to attend.
2. Ticket prices will be set by the junior class each year.
3. Prom is a privilege for all students invited by a junior or senior.
4. Formal attire is required for admittance.

Smoking or drinking controlled substances is not allowed. A student who is suspected of substance violations will be detained and subject to the Discipline Code.

Public Conduct on School Property

All visitors, during school hours, must sign in at the front desk and obtain a visitor's pass. All visitors must conduct themselves in a manner that does not disrupt the academic environment for our students and faculty. As such, all visitors are expected to comply with the Cortez School District Board of Education policies and building level rules.

School Transcripts

If students need a copy of their official transcript from the school district, they should contact the school's registrar at (970-565-3722, ext. 2125) or visit the registrar in the Counseling Office.

Skateboards

Students are welcome to use skateboards as transportation. However, once on school grounds, students must carry their boards and not attempt tricks or jumps. Skateboards are not allowed in the building. A skateboards rack is provided outside for students to lock up their boards. Students will need to provide their own padlock.

Speakers

Use of audio speakers are NOT allowed inside building.

Student Distribution of Non-Curricular Materials [JICEC-R]

Students who wish to distribute more than 10 items or copies of noncurricular materials on school property or at a school activity must notify the principal a minimum of one day in advance.

Teaching about Controversial/Sensitive Issues and the Use of Controversial Materials [IMB]

It is the opinion of the school, district, and board that "controversy is inherent in the democratic way of life. It is essential, therefore, that the study and discussion of controversial issues have an important place in education for citizenship in a free society." The following policies exist regarding the teaching and discussion of controversial issues per the district:

- Teachers may use controversial learning materials and discuss controversial issues if they contribute to the attainment of course objectives directly related to Board-adopted academic standards and when the goal is in the achievement of academic standards rather than reaching conclusions about the validity of a specific point of view
- Teachers will work cooperatively with the principal to obtain approval prior to the use of controversial materials or discussion of controversial issues
- When appropriate as deemed by the building principal, parents will be notified of the use of controversial materials or the discussion of controversial issues. Teachers shall inform the principal of controversial issues that arise unexpectedly which cause or are likely to cause concern for students and/or their parents/guardians

-In the teaching of controversial issues, teachers may express their personal viewpoints and opinions; however, they also have the obligation to be as objective as possible and impartially to present fairly the various sides of an issue.

-When controversial issues or controversial materials are used as part of the instructional program, alternative learning activities shall be provided when feasible at the request of a student or the student's parents/guardians

Textbooks [JQ]

The Montezuma-Cortez School District provides textbooks to students; students are responsible for the issued textbooks. Students must reimburse M-CHS for any damaged or missing textbooks.

Video surveillance [ECAAF]

Students are videotaped on school grounds, within the school building, and on District school buses. These monitoring devices are for student safety and security. Tapes are reviewed on a routine basis by the administration and evidence of misconduct is documented. Students found in violation of school rules will be notified and discipline procedures will be followed.

Visitation or Volunteering

All visitors or volunteers must report to the office immediately upon arrival to sign in. M-CHS will use Raptor ID System and all visitors or volunteers will be required to wear a visitor badge at all times while in our building during school hours. For the safety of the school, and the maintenance of a productive educational environment, we require that any person not enrolled with M-CHS visiting during the school day have the principal's or designee's approval twenty-four hours prior to the visit.

While parent visitation and volunteering at the school are generally encouraged, during the COVID-19 outbreak, restrictions on visitors to campus will be enforced per district guidelines. To promote our health and safety protocols, no volunteers, visitors, or non-employees should access the building during the school day. The district and school will be happy to make alternative arrangements to meet with parents to ensure we maintain a high level of parent and family engagement. Please contact your school or the district offices to make these arrangements. If you need to come to school for any reason, please call ahead to speak with the secretaries so that they can inform you of the most recent protocols and restrictions. (970-565-3722).

Withdrawals

Students who wish to officially withdraw from school prior to the end of the school year, regardless of the reason, must present to the registrar's office a statement, signed by either a parent or guardian, stating the reason for withdrawal or fill out a form in the registrar's office. After the office receives this statement, the student will be issued a checkout form, which is to be signed by each teacher the student has for a class or activity, including the librarian. The form is to be returned to the registrar's office. Monies owed to the school must be taken care of prior to withdrawal.

Official grades will be mailed to the new school upon written request from that school, providing all books have been returned and all bills paid. Transcripts cannot be forwarded without an official withdrawal.

STUDENT SERVICES

Food Service

The district will operate school lunch and breakfast programs in its schools which shall be under the overall supervision of the Nutrition Services Director. Food services shall include lunches and breakfasts, through participation in the National School Lunch Program and the School Breakfast Program. The School Board approves the prices set for meals.

All families have the opportunity to apply for the free and reduced meal program. Applications can be obtained from the school office or cafeteria at the beginning and throughout the year and submitted for eligibility consideration.

Cafeteria

The M-CHS cafeteria provides well-balanced, nutritional food at affordable prices. The cafeteria serves food before school and at lunch. Students may purchase food either as a whole meal, or a la carte. M-CHS offers lunch accounts for students.

* Lunch prices:

Students: Secondary Full Lunch \$3.00

*Breakfast prices:

Students: Secondary Full \$2.25

Note: PK-12 students qualifying for Free / Reduced will not be charged for Lunch or Breakfast

* Prices are subject to change without notice.

Returned Checks and Past Due Collections

The District understands that unexpected financial hardships can occur and is willing to work with people to satisfy payments. We encourage parents who may find themselves in unanticipated financial circumstances to contact the principal before the situation becomes unmanageable and the District seeks assistance from outside collection agencies. There will be a charge of \$20.00 for each NSF check written to the District. After the District has received two NSF checks from any party, no further checks shall be accepted.

Counseling Office

M-CHS counselors offer academic and career counseling to all students grades 9-12. In addition, the counseling department offers short-term personal counseling in both group and individual settings to address areas such as peer relationships, substance use and abuse, emotional support, grief management, etc. If long-term counseling is requested or needed, counselors will refer students to appropriate community resources. Please contact an M-CHS counselor at 565-3722 ext. 2129 for more information.

Library

The library is available to students, teachers, staff and parents Monday–Friday, 8:30 a.m.–4:30 p.m. There are also computer labs available for academic use. During the school day, students must obtain a pass to visit the library. The M-CHS library provides many services including guidance and assistance in academic research, processing book loans to students, faculty and staff, providing a quiet place to read or study, collaboration with teachers in student research projects, maintaining accessible periodicals, and supervising Internet research.

SCHOOL SAFETY

Emergency Procedures

The safety of M-CHS students, faculty and staff largely depends upon its students' knowledge of its emergency procedures and their calm execution of those procedures. Students should be ready to take part in appropriate drills to ensure the safety of all students and staff should an emergency situation ever arise. If a student has any questions, he or she may ask any teacher or administrator.

Fire Drill/Building Evacuation

M-CHS, in accordance with state law, holds regular fire drills. Exit maps are posted in each classroom and on the bulletin boards. Upon hearing the fire alarm, all students, faculty and staff will exit the building in an orderly manner according to the mapped exit routes. Administration will announce when students, faculty and staff may return to the building.

Lockdown Drills/Emergency Procedure Drill

In the event of a threat of a potential dangerous intruder entering the building, M-CHS will secure the students and the building. We will practice this procedure at least once each semester.

Nixle Updates

You can also text your zip code to 888777 and receive Nixle Updates to opt into Nixle updates to receive alerts regarding – severe weather, criminal activity, severe traffic, missing persons, and local events. M-CHS falls in the 81321 zip code.

HEALTH SERVICES INFORMATION 2020-2021 School Year
RE-1 Health Services information is available electronically at <http://www.cortez.k12.co.us>

COVID-19: COVID-19 is a virus currently circulating around the world. It can cause no symptoms at all, mild or serious illness, or death. The school district has required new and additional activities from staff members, parents/guardians, and students so that we can keep our teachers, students and community members safe while keeping children in school. Please refer to "[The Citizens Guide to Reopening](#)" for additional information:

Masks: Per district policy, all individuals in the high school will need to wear a mask the entire time they are on campus. This includes while in academic classes, in the Commons unless eating, in the library, in the hallways, on the bus, etc. Exemptions from mask wearing must be confirmed in writing by a doctor or supported through an IEP or 504 plan. Masks will be provided to those students who do not have them. If a student refuses to wear a mask or is caught without a mask on campus, the following procedures are in place:

1. **First offense** – verbal warning to wear a mask
2. **Second offense** – meeting with admin to discuss the importance of mask wearing; phone call home
3. **Third offense** – meeting with admin and parents to create a plan to ensure mask compliance

First Aid/Illness: Students needing medical attention shall report to the health room or main office. Health service personnel are not always available in the building. Keep contact information up to date so we can reach you quickly if your child becomes sick or injured. Students with fever, vomiting or diarrhea should stay home until they are symptom-free for 24 hours.

Accidents at School: Anyone involved in or witnessing an accident in which injury or potential injury has occurred should seek the nurse's assistance immediately. If there is any question regarding the condition of an accident victim, those present should leave the person stationary, stay with him or her and send someone to get the nurse.

Medications at School:

ALL MEDICATION SHALL BE SECURELY STORED IN THE MAIN OR HEALTH OFFICE.

When possible, please administer medication at home. Medication administration in the school setting is under the direction of the school registered nurse.

Prescription Medication: Students requiring prescription medication administration in the school setting must have a Medication Authorization Form signed by the physician and parent. The medication must be in its original pharmacy issued container.

Over-The-Counter Medication: Comfort medicine (Tylenol, ibuprofen, antacid tablets, calamine lotion, bacitracin, and cough drops may be given if parents have signed the "medicine permission consent" on the Health Screening Questionnaire in the registration packet.

Emergency Medication: Students who need to carry asthma inhalers, epi-pens, or diabetic supplies at school may do so as long as there is a Health Care Action Plan signed by a health care provider on file in the health office. Health Care Plans for Severe Allergies, Diabetes, Asthma, and Seizures are available from the school nurse, or on the district website below.

Food Allergy Policy and Form [Required posting]

The Montezuma-Cortez School District RE-1 has a food allergy and anaphylaxis policy which is available from your school nurse. The Standard Allergy and Anaphylaxis Form is included in the registration packet for your convenience. Rescue medication cannot be administered or carried by the student without medical provider orders and parent permission.

Immunization Requirements: Colorado State Immunization Requirements for School Enrollment are provided to parents annually. Non-medical (religious/personal) exemptions must be updated annually. Forms are available on-line or from your school. This school utilizes the Colorado Immunization Information System (CIIS), a confidential, secure, statewide immunization registry. You may choose to exclude your child's shot information from CIIS at any time. Please contact your school nurse for further information.

Permission for Health Advisory/Need to Know: School nurses develop a Student Health List and/or a Health Care Action Plan from the Health Screening Questionnaire in the registration packet. All information is confidential and is shared only on a need-to-know basis. Alert your school nurse if you do not want your student's medical information shared with appropriate school personnel.

Permission for Emergency Care: In the event of a medical emergency, the Montezuma-Cortez School Department will render emergency aid and/or transportation to a medical facility as needed. Costs incurred are at the expense of the family. Every effort will be made to contact the family in such a situation. If this practice concerns you, contact the school administrator. Please keep emergency contact information current with the school.

Screenings/Physical Exams: Parents/guardians may opt out of routine, non-emergency screenings provided by the district. Current screenings might include: hearing, vision, dental, lice, height and weight. Contact your school if you do not want your child to participate in these screenings. Parents are encouraged to have physical and dental examinations for their school-aged child before entering school and again before the 4th, 7th and 10th grades. Contact your school nurse if you do not have a health care provider and would like to arrange a physical exam for your child.

STUDENT AND FAMILY RIGHTS AND RESPONSIBILITIES

Notice of Non-Discrimination [AC, AC-R, AC-E]

Applicants for admission and employment, children, parents, persons with disabilities, employees, and all unions or professional organizations holding collective bargaining or professional agreements with the Montezuma-Cortez School District are hereby notified that this school does not discriminate on the basis of race, sex, color, national origin, age, or disability in admission or access to, or treatment or employment in, its programs and activities. Any person having inquiries concerning the school's compliance with the regulations implementing Title VI, Title IX, The Americans with Disabilities Act (ADA) or Section 504 is directed to Montezuma-Cortez School District office, 970-565-7282.

Confidentiality (FERPA) [JRA/JRC]

According to the Family Educational Rights and Privacy Act (FERPA), the confidentiality of student records is protected from unauthorized inspection. Information pertaining to student's educational history, such as grades, test results, discipline and records regarding student disabilities are confidential, and may only be accessed by:

- Parents or guardians who retain parental rights;
- District or school faculty and staff with a "legitimate educational interest" in the student;
- Other institutions with a "legitimate educational interest," such as colleges requesting transcripts.

Other parties seeking information about grades, discipline, attendance, etc. who are not one of the parties stated above will not be granted this information, even if they are listed in PowerSchool under Contacts or as an Emergency Contact.

If you do not want Montezuma-Cortez High School to disclose **directory** information such as phone numbers and addresses for your child, please notify the M-CHS Counseling Department **in writing** by October 15, 2020.

Military Collection of Student Directory Information [JRA/JRC]

Under the No Child Left Behind Act (NCLBA) of 2001, high schools that receive federal funds must provide certain student contact information to military recruiters upon request and must allow recruiters to have the same access to students as employers and colleges. If you DO NOT want Montezuma-Cortez High School to disclose directory information for your child, or release information to the Military without your prior written consent, you must notify the M-CHS Counseling Department **in writing** by October 15, 2020.

Teacher Qualifications

Parents and guardians are entitled to information regarding the qualifications of the teachers in their school. If desired, please call your school's office and ask for an appointment with your principal to talk about the qualifications of your child's teacher or paraprofessional. More information is available at:

<https://www.cde.state.co.us/fedprograms/essaeducator>

District Board Policies

Information about RE-1 Board Policies can be found at the following web address and from your school's website: <https://www.cortez.k12.co.us/our-district/board-of-education/policies>. Additional information or support can be found by calling your school or the district administrative offices at 970-565-7282.

School Performance

The state provides a report card on the performance of your child's school every year. You can find information about this report card on the school's website under the Academics Tab under School Performance. Parents and families are also encouraged to talk with their child's teachers regularly and attend parent teacher conferences to learn about their child's progress.

Physical Restraint [JKA-R]

On occasion, it may be necessary for an employee of the district to physically restrain a student. The use of restraining will be limited to emergency situations when the safety of students is in jeopardy. In compliance with Colorado law, Restraints shall only be used in an emergency and with extreme caution, and after a) the failure of less restrictive alternatives (such as Positive Behavior Supports, constructive and non-physical de-escalation, and restructuring the environment); or b) a determination that such alternatives would be inappropriate or ineffective under the circumstances. Restraints shall never be used as a punitive form of discipline or as a threat to gain control or gain compliance of a student's behavior.

Any incident of physical restraint shall be reported, in writing, to the principal or his designee within twenty-four hours, or as soon as is practical. Report will include a concise description of the incident, including the reason for the restraint and how the incident has been, or will be, followed-up. Parents of the student who was restrained will be notified of the incident by the principal the same day as the incident.

Sexual Harassment [JBB]

The district is committed to maintaining a learning environment that is free from sexual harassment. It is a violation of policy for any staff member to harass students or for students to harass other students through conduct or communications of a sexual nature, or to retaliate against anyone that reports sexual harassment or participates in a harassment investigation.

Students are encouraged to report all incidences of sexual harassment to either a teacher, counselor, or principal in their school building and file a complaint, through the district's complaint process addressing sex-based discrimination. All reports and indications from students, district employees, and third parties must be forwarded to the Title IX Coordinator. The district will initiate and conduct an investigation in accordance with the appropriate procedures addressing sex-based discrimination and sexual harassment and take appropriate corrective action.

Student Interviews, Interrogations, Searches, and Arrests [JIH; JIHB]

In situations where a student is suspected of violating Board policies or school rules, the principal or designee may interrogate the suspected student if the school official has reasonable grounds to suspect that such a violation has occurred. The nature and extent of the questioning must be reasonably related to the objectives of the questioning. If the student denies any involvement or culpability, the student will have the opportunity to present his or her side of the story, orally or in writing.

School administration may search a student and/or the student's personal property including backpacks, purses, etc. while on school premises or during a school activity in accordance with district policy and may seize any illegal, unauthorized or contraband materials. Whenever possible, the student shall be informed of the reason(s) for conducting the search and the student's permission to perform the search shall be requested except in the case of searches of school property including desks and lockers in which no reason or advanced warning is necessary.

The privilege of bringing a student-operated motor vehicle on to school premises is conditioned on consent by the student driver to allow search of the vehicle when there is reasonable suspicion that the search will yield evidence of contraband. Refusal by a student, parent/guardian, or owner of the vehicle to allow access to a motor vehicle on school premises at the time of a request to search the vehicle shall be cause for termination without further hearing of

the privilege of bringing the vehicle on to school premises. Refusal to submit to search also may result in disciplinary action and notification of law enforcement officials. Routine patrolling of student parking lots and inspection of the outside of student automobiles shall be permitted at all times.

A student's failure to cooperate with school officials conducting a search shall be considered grounds for disciplinary action. An administrative report shall be prepared by the school official conducting a search explaining the reasons for the search the results and the names of any witnesses to the search. Any contraband items found during the search will be confiscated and held by school administration and may be used as evidence for suspension, expulsion, or may be turned over to law enforcement for further action.

When law enforcement officials request permission to question students when students are in school or participating in school activities, the principal or designee shall ascertain that the law enforcement officer has proper identification.

Students will be released to law enforcement officers if the student has been placed under arrest or if the student's parent/guardian and the student consent to such release. When a student is removed from school by law enforcement officers for any reason, school officials will make reasonable efforts to notify the student's parent/guardian. It is expected that all procedural safeguards prescribed by law are followed by law enforcement officers conducting student arrests. However, district staff is not responsible for an officer's legal compliance when arresting a student.

Student Grievances [JII-R]

Students have the right to a standard procedure for the resolution of a grievance through a process, which includes appropriate lines of communication, adherence to a time line, and a method of appeal. If a student has a grievance, he or she should present it in the following manner and to the following person:

Level I: The classroom teacher involved, assuming the grievance concerns an individual classroom issue. If the grievance is not promptly resolved at this level, the student may go to Level II by presenting the grievance in writing to the school principal.

Level II: The principal will schedule an informal discussion of the grievance with the student and appropriate others as soon as possible, but in no case later than within five school days of the time of filing. It is expected that many grievances may be resolved at this level.

Level III: If the student is not satisfied with the resolution made at Level II, he or she may submit a written appeal, including all statements and evidence, to the principal for a formal conference and discussion of the grievance. Within five school days after receiving the grievance, the principal will give his written decision, with all supporting reasons and evidences, to the superintendent.

Level IV: The superintendent will review the principal's recommendation and will make a final, binding decision within five days of receiving the principal's decision.

Lori Haukeness- Superintendent: 400 N. Elm Cortez, CO 81321: Phone Number: 970-565-7522

NOTE: In no way is the grievance procedure meant to lessen the legal authority of the school officials to deal with disruptive students. Rather, it is a means of inviting student communication on matters of concern to the school and its students.

Accountability Committee

M-CHS Accountability Advisory Committee promotes student achievement and represents our students' interests. Working together, teachers, parents, community members, and administration analyze and discuss current programs and look toward ensuring a high quality educational program for our students. The Accountability Advisory Committee meets quarterly. Contact Deb Ramsey for more information (deb.ramsey@cortez.k12.co.us)

ACTIVITY AND ATHLETIC ELIGIBILITY

[JJ, JJA-1, JJA-2, JJA-2-R, JJIB, JJJ]

Note: This policy applies to any activity that causes students to miss class periods during the school day including competitions, performances, fundraisers, etc. For more information about specific activities or athletic program, please call or visit the Activities Office.

CHSAA (Colorado High School Activities Association) requirements

Participation in interscholastic activities as a part of a school's educational program is a privilege and not a right. Students wishing to participate are required to meet standards of personal behavior and academic performance that are related to school purposes. In this regard, CHSAA and its member schools may exercise the fullest discretion permitted under law.

A student enrolled in a high school shall be eligible to represent that school in CHSAA-sanctioned interscholastic activities if the student meets the following specific requirements: (a) The student is a bona fide undergraduate member of the high school in which he/she is enrolled. (b) During the period of participation, the student must be enrolled in courses which offer, in aggregate, a minimum of 2.5 units of credit per semester and must pass a minimum of the equivalent of 2.5 credits per semester.

M-CHS Requirements

In accordance with CHSAA policy 1710.a, Montezuma-Cortez High School will check grades weekly, beginning in the first full week of each season. Each Monday of the season, grades for each student involved in an activity or athletic program will be printed and given to each activity sponsor and/or coach. These grades will serve as a warning to coaches and identify students who are failing one or more classes and/or those students in danger of failing (D grade). It is the responsibility of the sponsor/coach to inform their students about failing or near-failing grades. On the **first Wednesday of each season and every subsequent Wednesday**, the grades of each student involved in an activity or athletic program will be distributed to each activity sponsor and/or coach. **If, on the Wednesday grade report, a student has one or more F's, that student will be ineligible to participate in CHSAA regulated competition or M-CHS sponsored activity until grades are checked again on the following Wednesday.** If the F(s) is removed from the student's grade report by the following Wednesday grade report, that student will once again be eligible to participate in the subsequent week; however, if the student still has an F on the eligibility report, he/she will continue to be ineligible.

NCAA Eligibility

To play sports at a Division I or II school, you must graduate from high school, complete 16 NCAA-approved core courses, earn a minimum GPA and earn an ACT or SAT score that matches your core-course GPA. For more information, be sure to talk with your grade-level counselor.

Transfer Students

If a student transfers enrollment to another school without an accompanying change of domicile by the student's parent/guardian, the student's eligibility to participate is determined by the district's eligibility requirements, CHSAA bylaws, and applicable law. CHSAA regulates transfer students and has categories of different levels of transfer. Online paperwork must be approved by CHSAA before practice or competition can begin. Please refer to the Activities Office for guidance on transfers.

Participation Fees

Students are required to pay a participation fee for all extracurricular athletic programs.
Current participation fees:

Marching Band, Boys and Girls Cross Country, Volleyball, Boys and Girls Soccer, Boys and Girls Basketball, Boys and Girls Golf, Wrestling, Boys and Girls Track, Softball, Baseball	\$60
Football	\$70

Appeals

Any student who is sanctioned or is found by the school, school district, or CHSAA to be ineligible to participate in any extracurricular activity may appeal the sanction or finding. Such an appeal must first be directed to the Activities Director. Students may not appeal sanctions for unsportsmanlike conduct or ejection from the activity.

Student eligibility relating to grade or for-credit classes

If an activity is tied to a grade in class or a credit unit, the M-CHS eligibility policy will be enforced with this exception: students who are deemed ineligible on Wednesdays will be able to participate in events that do not require a student to miss any classes. If students are ineligible, they may not participate in any events that require them to miss another class.

STUDENT CODE OF CONDUCT

It is the policy of the Board and M-CHS to maintain classrooms in which student behavior does not interfere with the ability of the teacher to teach effectively, or the ability of other students to participate in classroom learning activities. The school shall take reasonable steps to ensure the health and safety of its students during the school day. Students shall be expected to abide by the M-CHS Student Code of Conduct and any other appropriate classroom rules established by the classroom teacher and/or administration for the purpose of maintaining order and a favorable academic atmosphere. Any student who violates the code of conduct or other classroom rules may be subject to removal from class and/or disciplinary action.

At M-CHS, students and staff follow the **PRRRR** code of conduct:

- **Pride** – Positively impact your community/Strive for personal improvement
- **Respect** – Celebrate diversity/Use appropriate language
- **Responsibility** – Own your actions/Be a problem solver
- **Reliability** – Be present and on time/Be prepared to learn
- **Relationships** – Listen and understand/Value yourself and others

All behavior and conduct expectations for staff and students falls under each of these categories. Behavior/conduct that violates any of the aspects of PRRRR is subject to the consequences described below.

Note on Students with Disabilities [JK-2]

Students with disabilities are neither immune from a school district's disciplinary process nor entitled to participate in programs when their behavior impairs the education of other students. Students with disabilities who engage in disruptive activities and/or actions dangerous to themselves or others will be disciplined in accordance with their Individualized Education Programs (IEPs), any behavioral intervention plan and this policy. Nothing in this policy shall prohibit an IEP team from establishing consequences for disruptive or unacceptable behavior as a part of the student's IEP and/or behavioral intervention plan. For more information about discipline of students with disabilities, consult RE-1 District Policy document [JK-2](#).

General Discipline Procedures [JKBA-R]

Staff, including administrators and teachers, must use their training, experience and authority to create schools and classes where effective learning is possible. Students should be able to attend school and classes as free as reasonably possible from unnecessary and unwarranted distraction and disruption. Such behavior interferes with the classroom environment and will not be tolerated.

Each teacher should create a classroom management policy that reflects and adheres to the school and district policies concerning student conduct and clearly communicate this policy to students and parents. Whenever possible and appropriate, teachers must first work with students within the classroom to address behavior that violates the code of conduct. For low-level behavioral violations and transgressions, teachers should implement their own management policies and penalties which may include verbal warnings, redirection, limited time out of class to “cool down,” and calls home to parents. Teachers should also use PowerSchool to document any behavioral violations that occur within their classroom that are habitual or might require further mediation by the administration.

A student who engages in classroom conduct or behavior prohibited by the code of conduct may be removed from class by a teacher and placed temporarily in an alternative setting in accordance with these procedures. For purposes of this policy and procedure, a "class" includes regular classes, special classes, resource room sessions, labs, study halls, library time, school assemblies and other such learning opportunities taught or supervised by a teacher. "Teacher" means a person holding a teaching license issued by the state who is employed to instruct, direct or supervise the instructional program. It does not include substitute teachers as defined in state law.

Academic Dishonesty

Academic Dishonesty can exist in many forms and is considered a serious offense; it is a form of literary and intellectual theft. Academic Dishonesty may include, but is not limited, to the following.

- Turning in an assignment, project, test, or other academic product which is the result of copying someone else's work and which is considered an individual assignment or task.

- Using a crib sheet, sharing answers, or otherwise seeking answers from another individual or source of information.
- Copying sentences phrases, paragraphs, or pages from print medium or other sources without providing documentation or credit.
- Using plots, characters, theories, opinions, concepts, designs, or other forms of print or non-print medium and presenting them as original work without properly attributing them to the source.

As a general rule, the appearance of cheating will be treated as cheating.

<i>Offense:</i> Academic Dishonesty	First Occurrence during a school year	The student must redo the assignment from scratch (not just modify) in order to receive credit. The teacher must report the incident to the parents, the Assistant Principal, and to the grade-level counselor. A note will be added to the student's record on PowerSchool.
	Second Occurrence during the same school year	The teacher must report the offense of Academic Dishonesty to the Assistant Principal. If a documented incidence of Academic Dishonesty has been recorded in PowerSchool for any class that academic school year prior to this incident, the student will receive a "0" on the assignment and it cannot be made up. A meeting between the Assistant Principal, the student, and parents will be arranged. An incident report will be recorded in PowerSchool.
	Third Occurrence during the same school year	If a third incidence of Academic Dishonesty is reported and occurs during the same school year, the Administration of the high school will schedule a meeting with the student and parents to discuss further disciplinary steps that may include suspension or failure of the course for the semester.

Alcohol Violation

M-CHS prohibits the consumption, possession, sale, or being under the influence of alcohol on school grounds, in school vehicles, or at school activities or sanctioned events. Any student involved in such activity will be subject to disciplinary and/or legal action.

According to House Bill 96-1203, any student involved in first-degree assault in a school building or in or on school property as defined in the Colorado Revised Statutes will be expelled.

Bullying/Harassment

Bullying is the use of coercion or intimidation to obtain control over another person or to cause physical, mental or emotional harm to another person. Bullying can occur through written, verbal or electronically-transmitted expression or by means of a physical act or gesture. Harassment includes behavior that is intended to demean, terrorize, embarrass, humiliate, or otherwise cause mental harm to another person. Harassment may be sexual or nonsexual in nature and falls under the general umbrella of bullying.

<i>Offense:</i> Bullying, coercion, harassment (including sexual harassment), or intimidation of an M-CHS community member	First Occurrence	Minimum to include consequences for behavior and parent notification plus potential behavior modification, counseling, police notification	Maximum to include parent notification, 1-5 days suspension plus potential behavior modification, counseling, police notification
	Repeated Occurrence	Minimum to include 1-5 day suspension and parent notification plus potential behavior modification, counseling, police notification	Maximum to include parent notification, 5-15 day suspension, and potential behavior modification, counseling, police notification. For particularly egregious, repeated acts, expulsion may be recommended.

Bus Conduct [JICC]

Transportation is a privilege. Consequences for behavior on buses will be administered and recorded under the appropriate category of violation but may also include bus suspension depending on the offense. Bus suspensions may be administered by either the transportation department, school administration.

<i>Offense:</i> Bus Rules Violation	First Occurrence	Minimum to include consequences for behavior and parent notification plus potential behavior modification, counseling, police notification	Maximum to include consequences for behavior, parent notification and up to 1 week bus suspension plus potential behavior modification, counseling, police notification

	Repeated Occurrence	Mandatory expulsion according to House Bill 96-1203	

Habitual Disruption [JK-R]

A student may be declared “habitually disruptive” if three or more times during the course of the school year the student causes a material and substantial disruption on school grounds, in a school vehicle or at a school activity or sanctioned event.

<p><i>Offense:</i> Habitual Disruption</p>	<p>Repeated Occurrence</p>	<p>1. The principal will inform the superintendent when a student causes a second material and substantial disruption.</p> <p>2. The student and the student’s parent/guardian will be notified in writing of each disruption which counts toward declaring the student habitually disruptive. The student and parent/guardian will also be notified in writing and by telephone or other oral communication of the definition of “habitually disruptive student.”</p> <p>3. A student who has been declared habitually disruptive shall be suspended for up to 10 days and/or expelled in accordance with Board policy concerning student suspensions, expulsions and other disciplinary interventions</p>
--	----------------------------	---

Marijuana Violation

M-CHS prohibits the unlawful use, possession, sale, or being under the influence of marijuana on school grounds, in a school vehicle, or at a school activity or sanctioned event. Possession of marijuana paraphernalia and/or electronic smoking devices (Vaping pens, etc.) found with marijuana or THC will be confiscated and will be turned over to the Cortez Police Department. Any student involved in such activity will be subject to disciplinary and/or legal action.

According to House Bill 96-1203, any student involved in the sale of a drug or controlled substance as defined in section 12-22-303 of the Colorado Revised Statutes will be expelled.

Tobacco Violation including Electronic Smoking Devices (Vaping) [ADC]

M-CHS prohibits the use, possession, or sale of tobacco products on school grounds, in school vehicles, or at school activities or sanctioned events. Tobacco products include but are not limited to cigarettes, chewing tobacco, and all forms of electronic smoking devices such as electronic cigarettes, hookah pens and vaporizer pens. If students are found to be in possession of or using such devices, the school will confiscate the contraband and will turn the device over to the Cortez Police Department to be tested for illegal substances. The device will then be disposed of and at no time will the device be returned to the student or the parent. If an electronic smoking device is determined to have an illegal substance, the consequences will be administered under the appropriate violation (drug or marijuana). Any student involved in such activity will be subject to disciplinary and/or legal action.

<i>Offense:</i> Use, possession, or sale of a tobacco product	First Occurrence	Minimum to include confiscation of product and paraphernalia, parent notification plus potential behavior modification, counseling, police notification	Maximum to include confiscation of product and paraphernalia, parent notification, 1 day suspension plus potential behavior modification, counseling, police notification

Truancy [JHB]

If a student is absent without an excuse signed by the parent/guardian or if the student leaves school or a class without permission of the teacher or administrator in charge, the student shall be considered truant. An "habitual truant" shall be defined as a student of compulsory attendance age who has four total days of unexcused absences from school in any one month or 10 total days of unexcused absences during any school year. Absences due to suspension or expulsion shall not be counted in the total of unexcused absences for purposes of defining a student as an "habitual truant."

Truant students who miss entire days of school without an excused absence will be handled according to the attendance policy outlined earlier in this document. Those who leave school for a portion of the school day without permission will be dealt with in the following manner:

<i>Offense:</i> Truancy	First Occurrence	Minimum to include lunch detention, parent notification via PowerDialer for any classes missed, and subject to academic departmental policies concerning missed and make-up work. Lunch	If lunch detention is not served by the end of next day, a phone call will be made
----------------------------	------------------	---	--

		detention must be served the next school day after the offense occurred and the detention is issued. If a student has an in-school or after-school activity or sport the same day he or she is truant, he or she will be ineligible for participation.	home alerting parents to the infraction.
	Repeated Occurrences	Minimum to include ineligibility from sports or activities for to be determined period (decided with coaches and the Activities Director), lunch detention, and a phone call home to parents	Maximum to include 1-3 days suspension due to continued defiance of general code of conduct, parent notification

Note that leaving the school from any of the side, alarmed doors during the school day will be considered an act of truancy and will be subject to the above consequences.

Weapons

No weapons of any kind are allowed at M-CHS or any school-sponsored event. Carrying, bringing, using or possessing dangerous weapon on school grounds, in school vehicles, or at school activities or sanctioned events without the authorization of the school or school district is prohibited. This includes a firearm whether loaded or unloaded, any pellet or BB gun or other device, whether operational or not designed to propel projectiles by spring action or compressed air; a fixed blade knife with a blade that measures longer than three inches in length or a spring-loaded knife or pocket knife with a blade longer than three and one-half inches; or any object, device, instrument, material or substance, whether animate or inanimate, used or intended to be used to inflict death or serious bodily injury that are considered weapons by Colorado Law or by M-CHS administration.

According to House Bill 96-1203, any student involved in carrying, bringing, using or possessing a dangerous weapon without the authorization of the school or the school district as defined in section 12-22-303 of the Colorado Revised Statutes will be expelled.

<i>Offense:</i> Bringing, carrying, possessing, or using a non-deadly weapon	Any Occurrence	Minimum to include parent notification, confiscation of weapon, plus potential behavior modification, counseling, potential police notification; 1-5 day suspension	Maximum to include parent notification, confiscation of weapon, 5-15 day suspension plus potential behavior modification, counseling, police notification
<i>Offense:</i> Bringing, carrying, possessing, or using a dangerous or deadly weapon	Any Occurrence	Mandatory expulsion according to House Bill 96-1203. All firearm related offenses fall under the Gun-Free School Act (GFSA).	

General Code of Conduct Violation [JICDA, JICDD]

Violations to the M-CHS and district Code of Conduct which may include, but are not limited to, stealing or attempting to steal district or personal property, robbery, destruction or defacement of district property, verbal abuse including ethnic or racial slurs (may also fall under the category and penalties of “bullying/harassment”), hazing, dress code violations, gang and gang-like activity, internet usage violations, profanity/vulgar language/obscene gestures, lying making a false accusation of criminal activity, behavior that is detrimental to welfare/safety, racist behavior, violent or aggressive behavior, roughhousing, willful disobedience or defiance. If a violation to the Code of Conduct falls more clearly under a more-specific category above, then the consequences will apply in that category.

<i>Offense:</i> Violation to the Code of Conduct that is not specified in another category	First Occurrence	Minimum to include consequences for behavior and parent notification plus potential behavior modification, counseling, or police notification	Maximum to include parent notification, 1-5 days suspension plus potential behavior modification, counseling, or police notification
	Repeated Occurrence of the same offense OR repeated code-of-conduct violations (general)	Minimum to include sequences for behavior and parent notification plus potential behavior modification, counseling, police notification; 1-5 day suspension	Maximum to include parent notification, 5-15 day suspension plus potential behavior modification, counseling, police notification
