Students will be working today to complete an online practice NATIONAL SPANISH EXAMINATION – VOCABULARY & GRAMMAR. Students will need to use the headphones in the lab in order to complete this examination. Chromebooks will not be used today. Below are the instructions that are posted on our web calendar:

1. Sacar una hoja de papel limpio y un lápiz. (*Take out a clean piece of paper and a pencil.*)
2. Visitar el sitio del Examen Nacional de Español en <http://nationalspanishexam.org/index.php/exam-preparation/past-examinations>
3. Completar el examen de 2015 para el Nivel 2 de **VOCABULARY & GRAMMAR**. Mientras tomas el examen, mantén una **lista de vocabulario nuevo** que aprendes. Les sugiero que abran otra ventana en la computadora con [www.wordreference.com](http://www.wordreference.com), y busca cada palabra que encuentres que no conoces. Escribe cada palabra y su definición. Al final de la clase hoy, debes tener una lista bastante larga. (*Complete the 2015 Exam for Level 2 – Reading and Listening. Look up each word that you find that you do not know. Write each word and its definition. At the end of the period, you should have a rather long list.*)
