

Regional Multicultural Magnet School 2018-19 SCHOOL SUPPLY LIST SUGGESTIONS

Dear Parents/Caregivers:

This is the time of year that there are many “back to school” sales taking place, where school supplies can be purchased at a very reasonable price. Each summer, many of you ask if there are any supplies that would be helpful to send in for your children to use during the upcoming school year. Because of the strong budget challenges that we work under, this level of support is much appreciated. Please review the list below and if you can, bring any of these items to your child’s Goal Setting Conference in August. Teachers may request additional items before or at your child’s conference. Please do not feel that you must send in any of these items to the classroom. This is only a list of suggestions.

Thank You.
