

2020-21 45-Budget Revision Board Summary Report

August 18, 2020

Budget Reporting Cycle

Executive Summary

The budget update was completed based on the latest information available to date from the Final State Budget. Due to the significant changes from adoption budget that were based upon the Governor's May Revision, an official 45-Day Budget Revision is updating and replacing the June DJUSD Adoption Budget.

This update includes a reversal of the proposed LCFF funding reductions and additional one-time funds for learning loss mitigation from the impacts of COVID-19. These changes were a result of a substantial increase in the amount of LCFF cash deferrals.
