

Fab 5 Summary

(someone wanted but so then)

A summary should NOT include all of the details. A summary is a short recap of what you read. The Fab 5 model will help make sure you have *only* the important parts.

1. SOMEONE...

Who is/are the main character(s)?

2. WANTED...

What does he/she want?

3. BUT...

What got in the way? What kept the main character from getting what he/she wanted?

4. SO...

What did the main character do? What did he/she do to get by whatever was getting in his/her way?

5. THEN...

What happened at the end? Did the main character get what he/she wanted?

Example:

Cinderella wanted to go to the Prince's ball, but her evil stepmother would not let her go. So, her fairy godmother helped her attend the ball. Then, she met the prince and fell in love and they lived happily ever after.
