

*\*Implementing all safety and precautionary measures.*

**Give your child the BEST of BOTH worlds.**

Providing personalized, small group, academic support and a fun, safe environment to **create, learn explore, and socialize.**

**... Splash into Academics, Aquatics and Art**

Our Newtown Continuing Education *Learning Hub* has partnered with the Newtown Community Center to bring a summer program that is truly, *Centered Around You.*

After you child's academic support session, you can now opt to have them enjoy their afternoons, filled with enrichment and aquatic activities, at the Newtown Community Center.

The Summer Splash Program runs through 4 p.m., Monday through Thursday, in July.  
*Enrollment is limited.*

For added convenience, enrollment for the add-on program can be done weekly. Payment Plans and a limited number of Scholarships are available (*Summer School payment arrangements are also available*). A waiver to have your child walked over to the Community Center by adult staff will need to be signed. We also ask that you provide your child with a brown-bag lunch and a snack (refrigeration is not available).

**Summer Splash Weekly Fee:  
\$65 Per Week, Per Child**

(This is in addition to the Summer School Fee)

**Grades  
K-6**

Open to students who are attending a half-day, summer support program through **Newtown Summer School** (Mon-Thurs only).

**Academics**

Your student(s) will receive their individualized academic support from Certified staff. Academics are tailored to their personal needs in Math and Reading/Writing during Summer School.

**Art**

Students will enjoy various art activities, led by an art instructor.

**Aquatics**

Students will be given the opportunity to splash in the pool.  
*Lifeguards are on deck at all times.*

**Register online through:
