2023!
Camp
Invention
"Wonder!"
for Gr K-6!**

**Jun, Jul & Aug: 8 weeks of
nature, technology, science
and fun for Grades K-8!**

**Talcott Mountain Science Center
Avon CT 06001
tmsc.org/summer**

Summer @ Talcott!

Courses run weekly, Jun 19 - Aug 11 (no July 4)

All courses are Monday - Friday, 9 AM - 4 PM.

Small classes, mountaintop campus, science, tech, nature, creativity and fun! Courses are for students entering Grades K-8, and space is limited!

Each day includes snack, lunch, recess & play breaks. Contests happen weekly, (chess, egg drop, structures, inventions, paper airplanes, self-propelled vehicles & more!) as well as planetarium and magic shows, tie-dye t-shirts, & special presentations!

Bus transportation is included from convenient stops at Hartford Public Library, Bishop's Corner Library in West Hartford, and Sperry Park in Avon.

Want to visit before your child attends? We have tours each Thursday at 4:30 starting April 20. Call (860) 677-8571 to reserve your place.

Volunteer Opportunities ("CIT") available for Talcott alumni and other students in Grades 9-12

**Register today at
