

Receive a Dollar for Dollar Tax Credit!

Your tax credit dollars allow Sedona-Oak Creek students to participate in athletic programs, music and drama productions, and join clubs and other activities that enrich their educational experience.

For every dollar you pay in Arizona state income tax, less than one cent comes back to our Sedona community. Every dollar paid through the Sedona Kids Tax Credit program benefits Sedona students directly, dollar for dollar, up to \$200 per single filer and \$400 for joint filers.
