Curriculum >>>

Edgenuity Courseware offers standards-aligned, online courses for students in grade 7-12. Courses are customized; feature a full suite of learning tools and scaffolds; can be taken for initial credit, and credit recovery.

Provides full suite core curriculum, Advanced Placement, honors, elective, dual credit, and credit recovery courses for middle and high school students.

Student Needs >>>

- Does your child struggle to learn in a traditional school setting?
- Does your child not want to attend school daily?
- Does our child need more 1:1 attention from a credentialed teacher?
- Does your child like to learn using technology?
- Does your child struggle in large group settings?
- Is your student a competitive athlete?

School Structure >>>

TISCS students attend weekly online sessions where they receive live instruction and support from teachers and have the opportunity to collaborate with their peers. While students have the freedom to complete their 100% online coursework when and where they want, instructors help keep them on track with daily reminders, check-ins, tutoring, live instruction and corrective feedback.

Our Educators >>>

Each student is assigned a homeroom teacher and a counselor to ensure academic
