From the Principals:

A few important safety reminders:

Over the next week and a half we are excited to see many families at PGS for class parties and other events. Please remember that when you arrive at school as a visitor during the school day, or to pick up your child early we request that you have your photo identification ready to present to our staff.

When dropping off or picking up your child, please be a safe role model by utilizing the crosswalk. It is dangerous to cut between parked buses. A few extra steps to the crosswalk will show your child the importance of safety when crossing roads.

As the weather warms up sandals and flip flops become a staple. Please remember to send your child to school in sneakers or other closed toe shoes so they can run, jump, skip, and climb safely.

Please apply sunscreen at home, especially when you know your child's class has outdoor activities planned. A water bottle is also a great addition with more outdoor activities this time of year.

~Mrs. Borio & Mrs. Buckle

Nutrition Services Update: Free lunch and breakfast will be ending with this school year. If you think you may qualify for free or reduced lunch, please apply by August 30th on our district website [Here](#)
