From the Principals:

Today we kicked off our school focus of Responsibility. Attached is a letter from us to families which outlines what we discussed with students. Responsibility encompasses so many aspects of growing up and taking more responsibility for ourselves and our actions. We encourage families to think of ways to help your child practice being responsible at home as we do so in school. Some ideas to think about...

- Does your child have chores or are they expected to help with any family routines?
 - Set or clear the table
 - Feed the family pets
 - Keep their room clean
 - Fold laundry
- Could they help pack their lunch or snack each day? Or pack their backpack up each evening/morning to prepare for school.
- Does your child take responsibility for their actions by apologizing or trying to help fix problems that they are a part of?
- Do they take responsibility for themselves by doing the right thing even when you aren't watching?

Start a family conversation about what it looks like when they are responsible at home. What can they do at home that will build their independence and offer chances for them to show how responsible they can be?

Kindness Calendars:

March kindness month is in full effect. Be on the lookout for some bells hanging around PGS and our community! Also, if time allows, stop at Dom's coffee to get a "cup of kindness".

Kindness Calendars are due by April 1, 2022

2022-2023 Lunches: In preparation for next year we thought it helpful to share with families that school lunches will no longer be free for everyone starting in August 2022.

Nurses Corner: Please send your children to school with a water bottle that can be refilled.

Many children get thirsty during the day.

We do have bottle filling stations

but the water fountains are still closed.

As the weather warms up it will be

helpful for them to have their own

refillable container for water. Thank you!

Septa Workshop:

March 30th at 7:00pm

there will be a SEPTA workshop. See the
