REPORT CARDS

It's hard to imagine that March is here and we have come to our second set of report cards and conferences. On Wednesday morning at 8:00 AM, parents/guardians will be able to log into PowerSchool to view and print a copy of their child's report card. Click the following link for instructions on how to view them [Viewing Report Cards](#) Please see attached letter regarding an overview of our K-4 Report Card. This may be helpful for new parents. [Report Card Letter](#) Thursday, March 9th and Friday, March 10th will be half days of school to accommodate parent teacher conferences. It is our hope that each child will have a conference so that our teachers can keep families up to date and identify areas to focus on for the remainder of the school year. If you do not have a conference time set up, we encourage you to contact your child's teacher as soon as possible to arrange one. Our Unified Arts teachers are also happy to meet with parents/guardians to answer questions and/or share an update on their child's progress. A letter from our UA team can be found [Here](#) . Families are asked to make an appointment with their child's UA teacher(s) due to the large number of students they teach. Our staff appreciates you taking the time out to meet with us and we look forward to seeing you next week

PLACEMENT LETTERS

This is also the time when we invite you to share your thoughts about your child's learning style as we prepare for next year's class placement in the spring. While placement is an educational decision, we value parental input regarding the strengths and challenges that are unique to your child, the type of environment they learn best in, and any situations that we should be aware of that may impact them having a productive and rewarding school year. Individual request for specific teachers will not be considered. While a placement letter is not required, we invite you to write one for the 2023-2024 school year if you choose and send it attention of Dianne Anderson, or by email to danderson@avon.k12.ct.us. *Letters are due no later than April 21st.* Communication received after that date will not be considered for placement.
