### New Morning Ambassadors Program

"Good Morning! Have a great day! Good to see you!" These are the friendly voices of Pine Grove fourth graders who completed an application and were selected to be a morning ambassador. These student leaders help our staff greet students each morning at parent drop off and bus arrival. This creates a warm, welcoming atmosphere and ensures each student starts the day off on a positive note!

### Little Free Library

At our Friday Town Meeting, we celebrated the installation of our own Little Free Library. It is located in the front of our school by the gym. The PTO purchased this great community resource so that families visiting before or after school, or on weekends and school vacations, can take a book to read or leave one to share with the community. We hope you will take the time to stop by with your family!
