

Unit 1 Post-Assessment page 1 of 2

1 Write three different addition equations for 15.

a $\underline{\quad} + \underline{\quad} = 15$

b $\underline{\quad} + \underline{\quad} = 15$

c $\underline{\quad} + \underline{\quad} = 15$

2 Write three different subtraction equations with an answer of 6.

a $\underline{\quad} - \underline{\quad} = 6$

b $\underline{\quad} - \underline{\quad} = 6$

c $\underline{\quad} - \underline{\quad} = 6$

3 Fill in the missing number in each equation.

$18 = \underline{\quad} + 6$

$\underline{\quad} + 5 = 14$

$7 + 8 = \underline{\quad} + 9$

Find the missing number in each subtraction combination.

4

$$\begin{array}{r} 17 \\ -9 \\ \hline \end{array}$$

$$\begin{array}{r} 15 \\ -7 \\ \hline \end{array}$$

$$\begin{array}{r} 12 \\ -8 \\ \hline \end{array}$$

$$\begin{array}{r} 16 \\ -7 \\ \hline \end{array}$$

$\underline{\quad} = 20 - 11$ $\underline{\quad} = 13 - 9$ $11 - 4 = \underline{\quad}$ $14 - 7 = \underline{\quad}$

5 Paul watched an ant walk this path. How far did the ant walk? Show your work.

NAME _____

Unit 1 Post-Assessment page 2 of 2

- 6** Sara measured a poster. The first side of the poster was 81 cm long. The second side was 53 cm long. How much longer was the first side than the second side of the poster?

- 7** Sam drew a line that was 48 cm long. Then he decided he wanted a longer line, so he added more to it. When he finished, his line was 73 cm long. How many centimeters did he add to his line?

- 8** Rosa read 129 pages last week and 124 pages this week. Amy read 127 pages last week and 109 pages this week. Who read more pages? How many more pages did she read?
