

# Unit 4, Module 1, Session 1

Pre-Assessment

# Learning Goal:

I can use good test-taking strategies to complete my pre-assessment.

Let's begin Unit 4 by completing a pre-assessment. This will show what you know and help your teachers plan accordingly!

You can use scratch paper and student clocks if you need.

# Expectations

## 1. Try your best-

This helps us make sure we keep you learning, growing and having fun in class! Remember, you can do hard things!

## 1. Work Hard-

This helps us see what work is too easy and what you may need more help with

## 1. Do your own work-

By doing your own work we get to see what YOU know so everyone can be successful!

## 1. Be respectful of other learners-

By staying quiet and not distracting others, we make sure everyone can do the best they can!

# Daily Practice

## Must Do

Student Book Page 103  
Finish XtraMath

## Work Places:

2C Cover Up  
2D Doubles Help  
3A Round Ball Tens  
3B Add & Round Tens  
3C Round Ball Hundreds  
3D Round & Add Hundreds
