### ***About the course:***

Welcome to US History II at Enlightenment School! This year, we will explore US history from the 19<sup>th</sup> century through today. We will examine the US's changing role in the world and examine the early stages of today's controversies such as immigration, social inequality and the role of government.

I hope is that you leave this class knowing more about the world and being better equipped to succeed as a student and beyond. Many challenges lay ahead—but so do many achievements!

Some of the key historical periods/units that we will be working with this year include:

- Industrialization and Immigration
- Progressive Era
- American Imperialism
- World War I
- Roaring 20s
- Great Depression
- World War II
- Cold War
- Civil Rights Movement
- Era of Protest and Change

### ***Attendance Policy – per Waterbury Board of Education***

Twenty Absence Limit. No student may receive course credit for a full-year course after having been absent from that course more than twenty (20) class periods during the school year. These absences will be pro-rated for other than full-year courses and for courses meeting other than five (5) periods per week. All absences in a class will be counted except those incurred while a student participates in school-sponsored activities and/or essential administrative business and/or for an absence that meets the definition of a disciplinary action.

If you are absent, you are responsible for making up all work. It is your responsibility, not mine, to be sure that you have all the assignments you need. All missing assignments will be placed in a file folder at the front of the classroom.
